ISA Key Facts

The Financial Conduct Authority is a financial services regulator. It requires us, Virgin Money plc, to give you this important information to help you to decide whether our Cash ISA is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

You should read these Key Facts with the terms and conditions and product summary box, which contain more information about how your ISA will work.

What is a Cash ISA?

An Individual Savings Account (ISA) is an account for savings and investments where any interest, income, profit or capital growth is free from UK personal Income and Capital Gains Tax.

Your allowance can be spread across different ISAs. You may have a different provider for each within the same tax year.

Who can open a Cash ISA?

UK residents aged 16 and over can invest in a Cash ISA. Crown employees serving overseas, and those married to/in a civil partnership with a Crown employee serving overseas, may also invest in an ISA. ISAs must be opened in the name of one person only, as joint accounts are not allowed.

If you are a UK resident but move abroad, your account can remain open and keep tax-free status. You can also continue to make subscriptions for the rest of the tax year. In later years, however, you cannot make further subscriptions unless you are a Crown employee or married to/in a civil partnership with a Crown employee.

How much can I invest?

Currently up to £20,000 can be invested into a Cash ISA in the 2017-2018 tax year.

Types of ISA

Flexible ISAs

Flexible ISAs include all our Easy Access Cash ISAs, which have no restrictions on withdrawals. From 6 April 2016, new rules mean you can now withdraw money from your account and put it back in (in the same tax year) without it counting towards your annual ISA allowance. Your ISA allowance is unchanged, so you can only pay in new money in the current tax year up to your ISA allowance.

If you choose to close a flexible ISA, please be aware you cannot reopen it. This means you will lose your flexibility.

Non-flexible ISAs

Non-flexible ISAs include all our Fixed Rate Cash ISAs, Defined Access Cash ISAs, Notice ISAs, Help to Buy: ISAs and any Additional Permitted Subscription ISAs. Any money withdrawn from these accounts cannot be replaced.

Withdrawing from your Cash ISA

On your instructions and within a time stipulated by you, all or part of your Cash ISA money and any interest earned can be transferred or paid to you. Please remember, you will lose the ISA tax-free status on any money withdrawn or transferred to an account that is not an ISA.

Transferring your existing Cash ISA

From another provider

If you would like to transfer to Virgin Money, all you need to do is sign in to your account and use our online transfer service or complete and send an ISA Transfer Authority Form.

We will get in touch with your current provider within five working days of the date of receipt, confirm we will accept the transfer and arrange the transfer of your money (subject to the terms and conditions of your existing ISA). We will credit the money to your new Virgin Money Cash ISA within three working days of the date we receive the transfer.

For Cash ISA transfers, interest will be earned either from the date of the cheque, the date the money was sent to us by your existing ISA provider, or day 16 of the transfer process if earlier.

Under the ISA Regulations, it can take up to 15 working days to complete your request to transfer your Cash ISA.

Your existing ISA provider must transfer the money directly into an ISA with us. Current year subscriptions must be transferred in whole, i.e. part transfers are not permitted.

From another Virgin Money ISA

These transfers will be processed at our Main Office, normally within five working days.

To another provider

If you want to transfer your Cash ISA to another provider, please contact them to arrange this on your behalf.

On your instructions and within a time specified by you, all or part of your Cash ISA, with all its rights and obligations, can be transferred to another ISA provider in accordance with ISA regulations relating to transfers.

Under the regulations, subscriptions in the current year are treated differently from those in previous years. You may transfer any amount relating to previous years' subscriptions. You do not have to transfer current year subscriptions as well, but if you do you must transfer the full amount.

If you request an immediate transfer, we will arrange this within five working days of the date we receive:

- your instructions.
- confirmation from the new ISA provider they will accept the transfer.

If you give notice, we will arrange the transfer within five working days of the end of the notice period.

Under the ISA Regulations it can take up to 15 working days to complete your request to transfer your Cash ISA.

For Fixed Rate accounts, there is no charge for the transfer, but any transfers during the fixed rate period will be subject to a charge for loss of interest on the amount withdrawn, as detailed earlier for your specific chosen product.

Transferring a flexible ISA to another provider

If you want to transfer money you have subscribed to a flexible ISA in the current tax year you must transfer all of it. For previous years, you can choose to transfer all or part of your savings. You will need to contact the ISA provider you want to transfer to and fill out an ISA Transfer Authority Form to move your ISA. Where you are transferring all of a previous year's ISA, any withdrawals not replaced at the time of the transfer cannot be replaced with the new provider without counting towards your current year's ISA allowance.

Transferring your existing Stocks and Shares ISA

If you would like to transfer subscriptions from an existing Stocks and Shares ISA, please complete an ISA Transfer Authority Form and we will make the necessary arrangements with your current provider. If your account is a fixed rate you can make this transfer as long as this issue is still available.

Can I cancel my Cash ISA?

If you are not happy with your choice of account within 14 days of making your first deposit, we will help you close your account and you will not lose your right to invest in another Cash ISA for that tax year. If you would like to take advantage of this 14 day rule, you must send your cancellation in writing to Savings Operations, Virgin Money, Jubilee House, Gosforth, Newcastle upon Tyne NE3 4PL.

When you close your account, we will make sure our reports to HM Revenue & Customs reflect the correct position. If you do cancel

your account, the full amount of your investment, together with any interest earned, will be returned to you.

General Cash ISA information

ISA regulations

We will notify you if, by reason of any failure to satisfy the provisions of the ISA Regulations, an ISA is or will become void.

We will operate your account in accordance with the ISA Regulations and may do anything necessary to comply with these, including changing your terms and conditions. You must notify us of any change of address, which could affect your ability to subscribe to the Cash ISA.

If you die, tax may be due on any interest earned after the date of death and we will also have to transfer the account to a non-ISA account which may not pay the same interest rate.

You are and will remain the beneficial owner of the money in your Cash ISA. You may not use your Cash ISA as security for a loan. Your Cash ISA may not be transferred from one person to another, held in Trust or opened in the name of more than one person.

There are limits on the amounts you can invest each tax year but access to your funds is not restricted, except as detailed in this information. An ISA may become void if invalid contributions are made and we may transfer the account to a non-ISA account which may not pay the same interest rate as the current ISA.

Under HMRC regulations, if you do not make any deposits into a Cash ISA for a full tax year (break in subscriptions), we are required to take a new application form from you before any further deposits can be accepted.

Subscriptions are not allowed to any other Cash ISAs in the same tax year(s) you subscribe to this Cash ISA, even if you have not used your full annual allowance(s).

Applying for an ISA on behalf of someone else

We may accept an Application Form completed and signed by someone legally appointed to act on behalf of a customer.

The person appointed to act may be an attorney:

- In England and Wales, appointed under an Enduring Power of Attorney (created before 1 October 2007 and registered with the Office of the Public Guardian) or a Lasting Power of Attorney for property and financial affairs.
- In Scotland, under an equivalent registered authority, for example an Intervention Order or a Guardianship Order.
- In Northern Ireland, under an Enduring Power of Attorney registered with the High Court (Office of Care and Protection).
- Under a General Power of Attorney, where the customer is unable to sign because he or she is a member of the armed forces on active service in a war zone.

The person appointed will have to provide us with:

- The registered Enduring Power of Attorney or Lasting Power of Attorney or a certified copy of it.
- The registered Intervention Order or Guardianship Order.
- The General Power of Attorney.

We will review these documents and keep copies for our records.

In England and Wales an application may also be made on a customer's behalf by the court, or by a court-appointed deputy, for a customer who lacks mental capacity. We will require a copy of the order bearing the court's seal (or a certified copy of it).

An application may be completed by the parent, guardian, spouse, civil partner, son or daughter of a customer suffering from a mental disorder resident in Scotland or Northern Ireland.

In these cases we will ask for:

- Confirmation in writing that the customer is suffering from a mental disorder and of the applicant's relationship to the customer, for example mother or wife.
- Documentation to show the customer is suffering from a mental disorder, for example letters or payment books that show the customer is entitled to disability living allowance/personal independence payment, severe disablement allowance or incapacity benefit/employment and support allowance.

Important information about compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors are covered by the Scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts, each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the **combined amount** in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please call us on **0345 600 7301***, ask at your local Virgin Money Store, refer to the FSCS website **www.FSCS.org.uk** or call the FSCS on **0800 678 1100** or **020 7741 4100**. Only compensation-related queries should be directed to the FSCS.
