	*The introductory rate for Balance Transfers and Money Transfers only applies to transactions made within 60 days of the account opening date. The promotional period starts from the date your account is opened. #The Effective rate takes account of interest you will pay on interest, if you do not repay the whole balance every month. This is also known as compound interest.				
Interest free period	Maximum 50 days for Card Purchases, if you pay your balance shown on your statement (excluding any instalment plans and transfers on a promotional rate) by the payment date. Subject to any interest free promotional offer, there will be no interest free period for Balance Transfers, Money Transfers or Cash Advances.				
Interest charging information	You will not pay interest on Card Purchases (**including any annual card fee) if you pay the balance shown on your statement (excluding any instalment plans and transfers on a promotional rate) by the payment date. Otherwise, the period over which interest is charged will be as follows:				
		From	Until		
	All transactions	Date debited to your account	Paid in full		
Allocation of payments	<p>We will allocate your payments in the following way:</p> <ul style="list-style-type: none">• Firstly, to your Minimum Payment in this order:<ul style="list-style-type: none">– Any default charges, interest, annual card fee, and non-instalment plan balances, and then,– if you have instalment plans, up to 2% of what is left to repay on any instalment plans and 2% of any monthly instalment plan fees.• Secondly, if you have instalment plans, the rest of your instalment plan payments due that month (these payments are included in your Requested Payment).• Then, any remaining non-instalment plan balances that appear on your statement.• Next, new non-instalment plan transactions that you have made, but are not yet shown on a statement.• Finally, if you have instalment plans, any remaining instalment plan payments (until your instalment plans are paid off in full). <p>See section 12 of your credit agreement for more information.</p>				
Minimum repayment	<p>Each month you must pay at least the Minimum Payment in pounds sterling, as shown on your statement. Your Minimum Payment will include any annual card fee you need to pay that month. You will also need to pay an amount based on these rules:</p> <p>You will pay the greater of:</p> <ul style="list-style-type: none">• 2% of your total balance*; or• An amount equal to:<ul style="list-style-type: none">– Double that month’s interest, plus– Double any default charges due; or• £25, or the whole balance shown if it is less. <p>*The total balance calculation will include 2% of any instalment plan balances you have on your account. Also, it will exclude any annual card fees you are due to pay.</p> <p>In all cases, if we change your Minimum Payment under section 9.2, your Minimum Payment will always be that amount if that is higher.</p> <p>Also, if you are paying us back on a temporary payment arrangement, your Minimum Payment will be the amount we’ve told you to pay back each month.</p> <p>If you only make the Minimum Payment it will take longer and cost more to clear your balance</p>
