

The Tariff for your M Account and M Saver Account

M Account

Interest we pay you

We don't pay interest on your M Account.

Interest and fees you pay us for overdrafts

We don't offer an Arranged Overdraft on this account. In certain situations, we may give you a temporary Unarranged Overdraft (see your terms for details). We don't charge interest or fees for that borrowing and there's no fee if we refuse a payment due to lack of funds.

M Saver Account

Interest we pay you

	Interest rates		We work out how much interest to pay you at the end of each day. This is based on the money in your account. If your balance is £25,000 or less, we'll pay the higher rate of interest on the whole balance. If your balance is over £25,000, we'll pay the higher rate on the first £25,000 and the lower rate on anything above that. We'll add any interest on the last working day in March, June, September and December.

Interest rates

We can change your interest rates. Your terms give you more details about when we can do this and how we'll let you know.

You can always find your current interest rates:

- On our website at www.virginmoney.com
- By popping into our branches.
- By phoning us on 0800 121 7365.

These are the types of interest rates we use:

***Gross rate** This is the rate of interest we pay you. We don't take any tax away from the interest we pay you (which would be called the 'net rate'). If the interest you earn is more than the Personal Savings Allowance, you'll have to pay tax directly to HM Revenue and Customs. It'll depend on your circumstances and it might change in future. For more info, please visit www.gov.uk

†AER The AER (or Annual Equivalent Rate) is the equivalent rate of interest that you would earn if we paid interest once a year.
