

The Tariff for your Current Account Control

Current Account Control

Fee For Maintaining The Account			
Monthly Fee	£4.00	The monthly Fee For Maintaining The Account applies to this account whether the account is in credit or not.	
Interest we pay you			
	Interest rates		We work out how much interest to pay you at the end of each day. This is based on the money in your account. We'll add any interest to your account on the last working day of the month.
	Gross* (% per year)	AER † (%)	
All credit balances	0.00	0.00	
Interest and fees you pay us			
	Debit Interest rates		We work out how much interest to charge you each day. The more you borrow, the more interest we will charge.
Arranged Overdraft	As personally advised		
Unarranged Overdraft	0.00%		In certain situations, we may give you a temporary Unarranged Overdraft (see your terms for details). We don't charge interest or fees for that borrowing and there's no fee if we refuse a payment due to lack of funds.
Refusing A Payment Due To Lack Of Funds Fee	This fee does not apply		
Telling you when you need to pay interest and fees	At least 14 days' notice		At the end of each month, we'll let you know how much interest and fees you need to pay. We'll give you at least 14 days notice before we take the interest and fees from your account. If the Fee For Maintaining The Account is the only fee you need to pay, we won't send you notice of that (you don't need more paperwork!) – you know we'll collect in the last few days of the month.

Important information

If you ever need another copy of this Tariff or your Terms or you want more info about our accounts, just let us know. You can call us on **0800 121 7365** (from overseas it's **+44 141 221 7300** – standard international rates apply) or go to our website www.virginmoney.com

We've only included the most common charges for the Current Account Control in this Tariff. We'll tell you about any others before we charge them.

Interest rates

We can change your interest rates. Your Terms give you more details about when we can do this and how we'll let you know. If it's the kind of change that we need to publish in a newspaper, we'll usually use The Daily Mail, The Daily Record and The Yorkshire Post.

You can always find your current interest rates:

- On our website at www.virginmoney.com
- By popping into our Stores.
- By phoning us on **0800 121 7365**.

These are the types of interest rates we use:

- * **Gross rate** This is the rate of interest we pay you. We don't take any tax away from the interest we pay you (which would be called the 'net rate'). If the interest you earn is more than the Personal Savings Allowance, you'll have to pay tax directly to HM Revenue and Customs. It'll depend on your circumstances and it might change in future. For more info, please visit www.gov.uk
- + **AER** The AER (or Annual Equivalent Rate) is the equivalent rate of interest that you would earn if we paid interest once a year.
