Important Information

General

"Planned Borrowing", "Unplanned Borrowing", "Daily Unplanned Borrowing Fee", "Returned Item Fee" and "Notification Fee" all have the meanings set out in the Terms and Conditions applicable to your Account.

Interest Rate Definition

#EAR (Effective Annual Rate) –The Effective Annual Rate is used to express the cost of borrowing on current accounts. The EAR takes account of the rate of interest charged, the frequency it is levied to accounts and compounding of interest. It does not include overdraft fees and is variable.

The fees and charges set out in this insert are identified, and the way in which each of them is calculated and applied to your Account is described, in the Terms and Conditions applicable to your Account. The charges set out in this insert are subject to variation but are correct as at 20 February 2025. You can find out about our current charges from:

- our Stores
- by phoning our helpline on **0800 756 0800**[†]
- on our website virginmoney.com/business/interest-rates

[†] Calls to telephone numbers may be recorded or monitored for security or training purposes. Further information can be found in our Privacy Notice at virginmoney.com/security all of the up to date information about how your personal data will be gathered, created, shared and looked after can be found in the Privacy Notice at virginmoney.com/security

Where we need your consent to use personal information we will highlight this to you in the application process and ask for your consent separately.

All interest rates are shown in the Business Rate Sheets.

This tariff also applies to an Offset Business Current Account if you have an Offset Mortgage.

This leaflet details the most common charges associated with Virgin Money. Details of charges for any additional services will be given before the additional service is provided.
