# Summary of discussions

This Store review shares the outcome of discussions following the closure announcement for Banchory Store. It also contains our contact information if you have any questions or need help before or after the Store closes.

Since the closure announcement, we've been speaking to customers and local stakeholders to find out how we can limit the effects of this closure as much as possible. This has included reaching out to vulnerable and potentially vulnerable customers to offer additional support.

## Why we're closing your Store

More and more customers are taking advantage of our digital services and only visiting Stores when they want to discuss a significant life event. Between April 2019 and July 2021 we've seen digital registrations increase from 48.7% to 57.6% across our personal customers, and daily internet banking and mobile app logins are up 66%.

It's important to balance investment in digital services with making sure our Store network continues to meet the needs of our customers. This means that we've made the difficult decision to close a number of Stores.

This decision has been reached after considerable thought and analysis which includes input from local management.

Our Stores will continue to be a really important part of what we do and we've recently refreshed and revitalised them now that we're one Virgin Money brand.

## Just so you know

When we announced the Banchory Store was closing, we published an impact assessment. This provided more information on why we made the decision and ways in which customers could continue to make the most of our banking services. Head to [virginmoney.com/store-closures](https://virginmoney.com/store-closures) or ask in Store to find out more.

## Feedback from customers and local stakeholders

### Customer feedback

Some customers have raised concerns over the closure of the Store and we have received a total of 0.06% complaints on the closure per customers mailed. We've been speaking to them about their personal circumstances and providing information on ways to continue to bank with us. We're confident that the transfer of accounts to the new Store will be smooth and there are alternative ways to bank with us locally or by using our digital services. These include:

- > Should a customer wish to use a Store for general advice or to discuss a product, Aberdeen - Principal Store is 17 miles away and there are a further 3 Stores within 29 miles.
- > There are other ATMs in the area that are free to use.
- > Our mobile, internet and telephone banking facilities allow customers to do most day-to-day tasks, like balance checks, viewing transactions, transferring money between accounts, paying bills and cancelling / amending regular payments. Customers can even pay in a cheque on the go.
- > Customers are also able to use our mobile app to make external payments in a number of different ways and we're continuing to make our digital banking services bigger and better.
- > The local full service Post Office is located nearby on 37 High Street and provides personal and business customers with an alternative way to do their day-to-day banking transactions, such as cash withdrawals and paying in cash and cheques. Head to [www.postoffice.co.uk/branch-finder](https://www.postoffice.co.uk/branch-finder) to find other Post Office locations.
- > Customers can get all the information about our products and services, or raise any concerns by calling us on **0800 121 7365**. Our opening times are 7am to 9pm Monday to Saturday and 10am to 5pm on Sundays.

### Stakeholder & community feedback

Alexander Burnett MSP has been quoted in press complaining about the distance to the Aberdeen Store and the fact that there is poor connectivity in the North East that makes it hard for customers to bank digitally. He contacted the bank on 6 October requesting a meeting to discuss the closure. This meeting took place on 3 November. During the meeting Mr Burnett has asked that we send him information on the services our contact centres provide and their opening hours. He has also asked for more information on the Access to Banking Pilots – we are compiling this information and will get back to him in due course.

## Stakeholder & community feedback continued

Andrew Bowie MP has requested a meeting to discuss the closure of the Banchory Store. This meeting took place on 18 October. During the meeting Mr Bowie discussed how his rural constituents felt let down and worried about the pattern of bank closures. The options for G4S cash deliveries were also discussed. Mr Bowie asked us to get back to him with how we were ensuring nobody would go unbanked after we have engaged with customers – we have committed to doing this.

On 5 October, a face to face meeting was held with the local Post Office Branch Manager to discuss the details of our Store closure and support needs of our customers. Direct channels are in place for any questions between our Store and the local Post Office branch so that customer questions can be answered promptly.

We have also contacted the local Library to see if any support groups would benefit from us attending, but due to Covid, no groups have started to meet again just yet.

On 26 October we also visited the local Bank of Scotland branch to ensure they were aware of our Store closure and should any of our customers with additional support needs need to bank locally, how we could work together to support these customers.

## Engagement with customers and local stakeholders

Stakeholders	Engagement activities	Additional notes
Customers	Store posters and leaflets	Live from 30 September 2021.
	Closure details on our website	Available at <a href="https://virginmoney.com/store-closures">virginmoney.com/store-closures</a>
	External media	Announcement issued to national and local media outlets.
	Direct mailing	<p>A letter, 24-hour banking leaflet and Post Office services leaflet sent on 29 September 2021. This was issued to all Store customers and customers regularly using the Store.</p> <p>The mailing included info on the Store closure and how to access all the other ways to bank. This provided customers with a minimum 12 weeks' notice in line with the UK Finance Access to Banking Standard and Financial Conduct Authority (FCA) Guidance.</p>
	Customer contact	<p>We're contacting known vulnerable and potentially vulnerable customers, to see what we can do to support their banking needs after the closure. We'll talk to them about their personal circumstances and ways we can help. This may include arranging a meeting with the nearest Store Manager or walking the route to the nearest Post Office with them.</p> <p>All customers can attend digital banking sessions either in Store, at a local library or carried out remotely when requested. The Store digital banking sessions are scheduled for 17 November and 9 December 2021.</p> <p>Corporate Structured Finance and Commercial and Private Relationship Managers will talk to their customers about the closure and make sure they have support in place to meet their banking requirements (e.g. we may be able to set up a cash delivery service for some of our Business customers).</p>
Customer support groups	Email	<p>Email sent to local Citizens Advice Bureau on 30 September 2021.</p> <p>Email sent to local Chamber of Commerce on 30 September 2021.</p> <p>Email sent to Age Scotland local group, RNIB and FSB regional team on 30 September 2021.</p>
Politicians	Email / letter	Email issued to local MP and MSP on 29 September 2021 and local Councillors on 30 September 2021.
Post Office	Meetings	Following discussions of the closure with the Post Office, they're contacting the nearest three Post Office branches to each closing Store. This is to make sure they're aware of the closure and supplied with extra pay-in envelopes.

# Outcome of engagement

A lot of thought and consideration went into the decision to close Banchory. Following this, local engagement has confirmed that there's been no additional impacts beyond those considered during the decision making process. The number of alternative ways to bank in the local area and the availability of digital services, means that customers can continue to access banking services after the Store closes. This means the Store will close as planned on 28 January 2022.
