Summary of discussions

This Store review shares the outcome of discussions following the closure announcement for Broughty Ferry Store. It also contains our contact information if you have any questions or need help before or after the Store closes.

Since the closure announcement, we've been speaking to customers and local stakeholders to find out how we can limit the effects of this closure as much as possible. This has included reaching out to vulnerable and potentially vulnerable customers to offer additional support.

Why we're closing your Store

More and more customers are taking advantage of our digital services and only visiting Stores when they want to discuss a significant life event. Between April 2019 and July 2021 we've seen digital registrations increase from 48.7% to 57.6% across our personal customers, and daily internet banking and mobile app logins are up 66%.

It's important to balance investment in digital services with making sure our Store network continues to meet the needs of our customers. This means that we've made the difficult decision to close a number of Stores.

This decision has been reached after considerable thought and analysis which includes input from local management.

Our Stores will continue to be a really important part of what we do and we've recently refreshed and revitalised them now that we're one Virgin Money brand.

Just so you know

When we announced the Broughty Ferry Store was closing, we published an impact assessment. This provided more information on why we made the decision and ways in which customers could continue to make the most of our banking services. Head to virginmoney.com/store-closures or ask in Store to find out more.

Feedback from customers and local stakeholders

Customer feedback

Some customers have raised concerns over the closure of the Store and we have received a total of 0.15% complaints on the closure per customers mailed. We've been speaking to them about their personal circumstances and providing information on ways to continue to bank with us. We're confident that the transfer of accounts to the new Store will be smooth and there are alternative ways to bank with us locally or by using our digital services. These include:

- > Should a customer wish to use a Store for general advice or to discuss a product, Dundee Store is 3.9 miles away and there are a further 3 Stores within 28 miles.
- > There are other ATMs in the area that are free to use.
- > Our mobile, internet and telephone banking facilities allow customers to do most day-to-day tasks, like balance checks, viewing transactions, transferring money between accounts, paying bills and cancelling / amending regular payments. Customers can even pay in a cheque on the go.
- > Customers are also able to use our mobile app to make external payments in a number of different ways and we're continuing to make our digital banking services bigger and better.
- > The local full service Post Office is located nearby on 128 Gray Street and provides personal and business customers with an alternative way to do their day-to-day banking transactions, such as cash withdrawals and paying in cash and cheques. Head to www.postoffice.co.uk/branch-finder to find other Post Office locations.
- > Customers can get all the information about our products and services, or raise any concerns by calling us on **0800 121 7365**. Our opening times are 7am to 9pm Monday to Saturday and 10am to 5pm on Sundays.

Stakeholder & community feedback

Maurice Golden MSP, has gone to the press and Twitter with concerns on the impact of the closure on staff and the community. He has contacted the Bank directly suggesting that our figures for making the decision are unfair as the pandemic will have skewed them. The Bank has responded to a request for further information and Mr Golden has offered his thanks.

Tess White MSP has contacted the Bank requesting information on staff impact as a result of closure and has asked if we will be going through a consultation process for the closure. We have responded with this information.

Stakeholder & community feedback continued

Cllr Kevin Cordell contacted the Bank asking us to reconsider the closure or extend the length of time before closure. We have responded with this information.

Cllr Duncan has complained that there was not enough engagement with the local community over the decision. He requested a meeting to discuss this. The meeting with Cllr Duncan took place on 10 November. He asked questions about Virgin Money contact centre services and opening hours – we confirmed that we would email Cllr Duncan the details. He also asked about digital and telephone banking training for customers – we confirmed that this will be provided in Store.

Cllr Derek Scott has raised his disappointment at the closure and has asked if the closure will be reviewed. He has also asked about future occupiers of the building.

Our Store Manager has visited the local Post Office branch and met with the Post Office Branch Manager. Current opening hours and services available were discussed, including the change giving service. Good relationship built to work together over the coming weeks to support our customers that choose to use the Post Office. Customers that have already used the Post Office are feeling reassured about their ability to continue to bank locally.

Our Store Manager has also contacted Broughty Ferry Traders and we hope to hold a meeting soon.

Engagement with customers and local stakeholders

Stakeholders	Engagement activities	Additional notes
Customers	Store posters and leaflets	Live from 29 September 2021.
	Closure details on our website	Available at virginmoney.com/store-closures
	External media	Announcement issued to national and local media outlets.
	Direct mailing	A letter, 24-hour banking leaflet and Post Office services leaflet sent on 29 September 2021. This was issued to all Store customers and customers regularly using the Store. The mailing included info on the Store closure and how to access all the other ways to bank. This provided customers with a minimum 12 weeks' notice in line with the UK Finance Access to Banking Standard and Financial Conduct Authority (FCA) Guidance.
	Customer contact	We're contacting known vulnerable and potentially vulnerable customers, to see what we can do to support their banking needs after the closure. We'll talk to them about their personal circumstances and ways we can help. This may include arranging a meeting with the nearest Store Manager or walking the route to the nearest Post Office with them. All customers can attend digital banking sessions either in Store, at a local library or carried out remotely when requested. The Store digital banking sessions are scheduled for 12 and 19 November 2021. Corporate Structured Finance and Commercial and Private Relationship Managers will talk to their customers about the closure and make sure they have support in place to meet their banking requirements (e.g. we may be able to set up a cash delivery service for some of our Business customers).
Customer support groups	Email	Email sent to local Citizens Advice Bureau on 30 September 2021. Email sent to local Chamber of Commerce on 30 September 2021. Email sent to Age Scotland local group, RNIB and FSB regional team on 30 September 2021.
Politicians	Email / letter	Email issued to local MP and MSP on 29 September 2021 and local Councillors on 30 September 2021.
Post Office	Meetings	Following discussions of the closure with the Post Office, they're contacting the nearest three Post Office branches to each closing Store. This is to make sure they're aware of the closure and supplied with extra pay-in envelopes.

Outcome of engagement

A lot of thought and consideration went into the decision to close Broughty Ferry. Following this, local engagement has confirmed that there's been no additional impacts beyond those considered during the decision making process. The number of alternative ways to bank in the local area and the availability of digital services, means that customers can continue to access banking services after the Store closes. This means the Store will close as planned on 19 January 2022.

Other ways to bank with us

Here's a summary of the different banking services available to you, depending on the product you have with us.
