# Summary of discussions

This Store review shares the outcome of discussions following the closure announcement for Leeds - White Rose Store. It also contains our contact information if you have any questions or need help before or after the Store closes.

Since the closure announcement, we've been speaking to customers and local stakeholders to find out how we can limit the effects of this closure as much as possible. This has included reaching out to vulnerable and potentially vulnerable customers to offer additional support.

## Why we're closing your Store

More and more customers are taking advantage of our digital services and only visiting Stores when they want to discuss a significant life event. Between April 2019 and July 2021 we've seen digital registrations increase from 48.7% to 57.6% across our personal customers, and daily internet banking and mobile app logins are up 66%.

It's important to balance investment in digital services with making sure our Store network continues to meet the needs of our customers. This means that we've made the difficult decision to close a number of Stores.

This decision has been reached after considerable thought and analysis which includes input from local management.

Our Stores will continue to be a really important part of what we do and we've recently refreshed and revitalised them now that we're one Virgin Money brand.

## Just so you know

When we announced the Leeds - White Rose Store was closing, we published an impact assessment. This provided more information on why we made the decision and ways in which customers could continue to make the most of our banking services. Head to [virginmoney.com/store-closures](https://www.virginmoney.com/store-closures) or ask in Store to find out more.

## Feedback from customers and local stakeholders

### Customer feedback

Some customers have raised concerns over the closure of the Store. We've been speaking to them about their personal circumstances and providing information on ways to continue to bank with us. We're confident that the transfer of accounts to the new Store will be smooth and there are alternative ways to bank with us locally or by using our digital services. These include:

- > Should a customer wish to use a Store for general advice or to discuss a product, Hunslet Store is 2.7 miles away and there are a further 3 Stores within 6 miles.
- > There are other ATMs in the area that are free to use.
- > Our mobile, internet and telephone banking facilities allow customers to do most day-to-day tasks, like balance checks, viewing transactions, transferring money between accounts, paying bills and cancelling / amending regular payments. Customers can even pay in a cheque on the go.
- > Customers are also able to use our mobile app to make external payments in a number of different ways and we're continuing to make our digital banking services bigger and better.
- > The local full service Post Office is located nearby on 89 Old Lane and provides personal and business customers with an alternative way to do their day-to-day banking transactions, such as cash withdrawals and paying in cash and cheques. Head to [www.postoffice.co.uk/branch-finder](https://www.postoffice.co.uk/branch-finder) to find other Post Office locations.
- > Customers can get all the information about our products and services, or raise any concerns by calling us on **0800 121 7365**. Our opening times are 7am to 9pm Monday to Saturday and 10am to 5pm on Sundays.

## Stakeholder & community feedback

Our Store Manager visited the local Post Office on Old Lane on 18 October 2021 and met with the Post Office Branch Manager and their team. Many of our customers already use this local Post Office counter service as our Store in White Rose Shopping Centre is fully automated. The Post Office has a good stock of the Virgin Money paying in envelopes and welcomes any customer introductions we wish to make for any customers that have requested additional support.

On 19 October, our Store Manager has also met with the White Rose Shopping Centre Management Team to discuss continuing ATM availability as this is the most common discussion point with customers using our Store. All ATMs within the Shopping Centre are free to use and available at all times the Shopping Centre is open.

# Outcome of engagement

A lot of thought and consideration went into the decision to close Leeds - White Rose. Following this, local engagement has confirmed that there's been no additional impacts beyond those considered during the decision making process. The number of alternative ways to bank in the local area and the availability of digital services, means that customers can continue to access banking services after the Store closes. This means the Store will close as planned on 28 January 2022.
