**RECOMMENDED ALL-SHARE OFFER
FOR VIRGIN MONEY HOLDINGS (UK) PLC
BY
CYBG PLC**

Summary

- The Boards of CYBG PLC ("CYBG") and Virgin Money Holdings (UK) plc ("**Virgin Money**") are pleased to announce that they have agreed the terms of a recommended all-share offer to be made by CYBG for Virgin Money (the "**Offer**") to create the UK's first true national banking competitor to the status quo.
- Under the terms of the Offer, Virgin Money Shareholders will receive:

1.2125 New CYBG Shares in exchange for each Virgin Money Share

- Based on the Closing Price of 306 pence per CYBG Share on 15 June 2018 (being the last Business Day before the date of this Announcement), the Offer values each Virgin Money Share at 371 pence and Virgin Money's ordinary shares on a fully diluted basis at approximately £1.7 billion, representing a premium of:
 - 19 per cent. to the Closing Price of 312 pence per Virgin Money Share on 4 May 2018 (being the last Business Day prior to the commencement of the Offer Period); and
 - 35 per cent. to the volume weighted average price of 276 pence per Virgin Money Share for the three-month period ended 4 May 2018.
- Following completion of the Offer, Virgin Money Shareholders will own approximately 38 per cent. of the Combined Group (on a fully diluted basis).

- The Offer is expected to be effected by means of a court-sanctioned scheme of arrangement between Virgin Money and the Virgin Money Shareholders under Part 26 of the Companies Act 2006, although CYBG reserves the right to effect the Offer by way of a Takeover Offer.
- If Virgin Money announces, declares or pays any dividend or any other distribution to Virgin Money Shareholders on or after the date of this Announcement, CYBG reserves the right to make an equivalent reduction in the terms of the Offer. This right will not be invoked in respect of a dividend of up to 2.3 pence per Virgin Money Share in the event that such a dividend is declared by the Virgin Money Directors and paid in respect of Virgin Money's six month interim period ending 30 June 2018.

Strategic and Financial Rationale for the Offer

- The CYBG Directors believe the combination of CYBG and Virgin Money (the "**Combination**") will bring together the complementary strengths of two successful challenger banks to create the UK's first true national competitor to the large incumbent banks. The Combination will offer retail and SME customers an enhanced alternative to the status quo. The Combined Group will have the capabilities, scale and national presence required to lead the way in the future of UK banking, with a full-service product offering across retail and SME, established and innovative technology and the iconic Virgin Money national brand that is underpinned by a strong customer service culture.
- The CYBG Directors believe the Combination has a strong strategic and financial rationale as described below, creating a compelling opportunity for both sets of shareholders:

Strategic

- *Scale and national presence:* Creation of a national competitor with scale and an attractive service and product offering that will be available digitally and supported by a national branch network;
- *Full-service offering:* Greater breadth of retail and SME propositions and products offered to the Combined Group's enlarged customer base, with a strong PCA and BCA offering that provides enhanced opportunities to deepen multi-product customer relationships;
- *Iconic national brand and customer-focused cultures:* Virgin Money's iconic national brand and both CYBG's and Virgin Money's complementary customer-focused cultures and award-winning customer service provide the foundations for strong, digitally-led customer acquisition and retention across the UK;
- *Innovative and modern technology:* CYBG's established, proven, scalable and resilient Open Banking-enabled technology platform provides a strong foundation for further growth and enhanced services and propositions for customers, particularly when coupled with Virgin Money's brand; and
- *Low-complexity integration plan and management strength:* Execution risk will be reduced by a detailed, phased migration and re-branding plan, to be delivered by a highly capable team drawn from two organisations with strong track records in large-scale transformation, and further mitigated by the relatively low complexity of the Virgin Money product offering, and in particular the small number of Virgin Money personal current accounts.

The CYBG Directors believe these capabilities provide the Combined Group with the attributes it needs to be a leading force in the Open Banking environment, disrupting the status quo and championing customer service excellence in financial services.

Financial

- *Significant synergy and value creation potential:* The Combination is expected to generate £120 million of annual pre-tax cost synergies, run rate by the end of the financial year ending 30 September 2021. CYBG also expects additional value creation through avoidance of planned future Virgin Money digital bank running costs, and revenue synergies and funding synergies over time, which have not been quantified for reporting under the Takeover Code;
- *Diversified, low-risk balance sheet:* The Combination brings together two low-risk balance sheets and creates a broader-based, less concentrated combined mortgage and unsecured lending portfolio, while retaining a diversified funding model and a clear funding strategy with further opportunities to extend CYBG's personal and business account offering across the Virgin Money customer base;
- *Strong pro forma capital position:* The Combined Group is expected to have a pro forma day one CET1 ratio in excess of 12 per cent. and to retain a significant surplus to regulatory capital minimum requirements with further upside potential from near-term capital optimisation initiatives, including CYBG's ongoing application for mortgage IRB accreditation and Virgin Money's stated objective to reduce its mortgage risk weighting;

- *Reinforces delivery of existing financial targets:* CYBG continues to expect to perform strongly against its existing medium-term guidance, including meeting its sustainable growth ambition, being at the lower end of its cost income ratio target range, and delivering its guidance for a double digit return on tangible equity in FY19;
- *Earnings accretive to all shareholders:* The Combination is expected to be materially accretive for both sets of shareholders on an earnings per share basis once full cost synergies have been delivered; and
- *Strong capital generation accelerates progressive dividend ambitions:* The Combined Group's enhanced returns potential will support investment to drive growth, fund the delivery of the cost synergies, and support sustainable asset growth, leading to greater excess capital generation. This will accelerate both CYBG and Virgin Money's progressive dividend ambitions.

Arrangements with Virgin Group

- The CYBG Directors believe that the use of Virgin Money's iconic national brand combined with CYBG's customer-centric propositions will drive further growth opportunities for the Combined Group.
- Accordingly, CYBG has entered into an agreement with Virgin Enterprises Limited ("**Virgin Enterprises**") in relation to the use, conditional on completion of the Offer, of the "Virgin Money" brand.
- The key terms of the Brand Licence Agreement include (in summary):
 - An exclusive, perpetual, royalty-bearing licence for the CYBG Group to use the "Virgin Money" brand for financial services in respect of retail, SME and corporate customers in the UK;
 - A fixed yearly minimum royalty payable by CYBG, which increases from £12 million in the first year following the First Quarter Date up to £15 million in the fourth year following the First Quarter Date, plus an additional yearly royalty (calculated by reference to incremental CYBG Group turnover at a rate of one per cent.) beginning in the fifth or, if the turnover of the CYBG Group reaches a threshold amount, the fourth year;
 - Virgin Enterprises is entitled to nominate one person to be a non-executive director of CYBG; and
 - Virgin Enterprises has termination rights for cause and insolvency of CYBG, in case of serious brand damage, and in respect of certain changes of control of CYBG. In certain circumstances, the termination right for cause (if exercised) entitles Virgin Enterprises to a termination fee in lieu of a damages claim. CYBG has termination rights covering serious brand damage and insolvency of Virgin Enterprises. Upon a change of control of CYBG, the Brand Licence Agreement may be terminated at the option of CYBG upon payment of a termination fee and if not so terminated, the acquirer of CYBG is required to guarantee certain of CYBG's obligations under the Brand Licence Agreement.

Further details of the Brand Licence Agreement are set out in paragraph 3 of this Announcement.

- The Brand Licence Agreement is conditional upon the passing of an ordinary resolution of the Independent Virgin Money Shareholders (which requires more than 50 per cent. of the votes cast by Independent Virgin Money Shareholders on a poll to be cast in favour) to approve the Brand Licence Agreement (the "**Brand Licence Resolution**"). The Brand Licence Agreement is also conditional upon completion of the Offer.
- Virgin Holdings has also provided an irrevocable undertaking to support the Offer in respect of its holding of 155,120,454 Virgin Money Shares (representing approximately 34.8 per cent. of the issued ordinary share capital of Virgin Money as at 15 June 2018, being the last Business Day before the date of this Announcement). Details of this undertaking together with the circumstances in which it ceases to be binding are set out in Appendix 3 of this Announcement.

The Combined Group

- Following completion of the Offer:
 - Jim Pettigrew, Chairman of CYBG, David Duffy, CEO of CYBG and Ian Smith, CFO of CYBG will retain their current positions in the Combined Group;
 - Jayne-Anne Gadhia, CEO of Virgin Money has been in her current role with Virgin Money for over 10 years. She brings a wealth of experience in successfully leading customer-facing banking businesses and delivering the Virgin Money brand to customers. She has agreed, in principle, to support the Combined Group as a senior adviser to the CEO (in a consultancy role) for a period of time beyond completion of the Offer, on terms to be agreed;
 - It has been agreed that two of the non-executive directors currently on the Virgin Money Board, as well as one non-executive director nominated by Virgin Enterprises pursuant to its rights under the Brand Licence

Agreement, will become members of the CYBG Board on completion of the Offer, subject to the usual regulatory approvals;

- CYBG's shares will continue to have their primary listing on the Official List and will continue to trade on the London Stock Exchange. CYBG will continue to have a secondary listing on, and CHESS Depository Interests representing CYBG Shares will continue to trade on, the Australian Securities Exchange; and
- The registered offices of CYBG and Virgin Money will remain in England following completion of the Offer, and the Combined Group will be headquartered in Glasgow, Scotland.

Recommendations and irrevocable undertakings

- For the purpose of considering the Offer, Virgin Money constituted a committee of independent directors, comprising all of the executive and non-executive directors of Virgin Money other than Amy Stirling and Patrick McCall who represent Virgin Holdings and Virgin Enterprises, respectively (the "**Independent Virgin Money Directors**").
- The Independent Virgin Money Directors, who have been so advised by Goldman Sachs as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing advice to the Independent Virgin Money Directors, Goldman Sachs has taken into account the commercial assessments of the Independent Virgin Money Directors.
- The Independent Virgin Money Directors intend unanimously to recommend that the Virgin Money Shareholders vote in favour of the resolutions to be proposed at the Virgin Money Meetings, as the Independent Virgin Money Directors who hold Virgin Money Shares have irrevocably undertaken to do in respect of their own beneficial holdings totalling 2,612,309 Virgin Money Shares (representing approximately 0.586 per cent. of the issued ordinary share capital of Virgin Money as at 15 June 2018, being the last Business Day before the date of this Announcement).
- The Independent Virgin Money Directors also intend unanimously to recommend that the Independent Virgin Money Shareholders vote in favour of the Brand Licence Resolution. The Brand Licence Resolution is a non-waivable condition to the Offer and if it is not passed the Offer will lapse and the transaction will not proceed to completion. The terms of the Brand Licence Agreement are considered by Goldman Sachs, Virgin Money's financial adviser, to be fair and reasonable. In forming this view, Goldman Sachs has taken into account the commercial assessments of the Independent Virgin Money Directors.
- CYBG has received an irrevocable undertaking to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the Virgin Money General Meeting from Virgin Holdings in respect of 155,120,454 Virgin Money Shares (representing approximately 34.8 per cent. of the issued ordinary share capital of Virgin Money as at 15 June 2018, being the last Business Day before the date of this Announcement).
- Due to its size, the Offer requires the approval of the CYBG Shareholders for the purposes of the Listing Rules. Accordingly, the Offer will be conditional on the approval of the CYBG Shareholders at the CYBG General Meeting.
- The CYBG Board considers the Offer to be in the best interests of CYBG and the CYBG Shareholders as a whole and intends unanimously to recommend that CYBG Shareholders vote in favour of the resolutions to approve the Offer to be proposed at the CYBG General Meeting, as those CYBG Directors who hold CYBG Shares have irrevocably undertaken to do in respect of their own beneficial holdings totalling 476,988 CYBG Shares (representing approximately 0.054 per cent. of the issued ordinary share capital of CYBG as at 15 June 2018, being the last Business Day before the date of this Announcement).
- The CYBG Board has received financial advice from Morgan Stanley and Deutsche Bank in relation to the Offer. In providing their advice to the CYBG Board, Morgan Stanley and Deutsche Bank have taken into account the commercial assessments of the CYBG Board.

General

- It is intended that the Offer will be implemented by way of a court-sanctioned scheme of arrangement between Virgin Money and the Virgin Money Shareholders under Part 26 of the Companies Act 2006, further details of which are contained in paragraph 17 of this Announcement. However, CYBG reserves the right to implement the Offer by way of a Takeover Offer, subject to the Panel's consent and the terms of the Co-operation Agreement.
- The Offer is subject to, among other things, approvals of the CYBG Shareholders and the relevant Virgin Money Shareholders (including in respect of the Brand Licence Resolution) and the receipt of certain regulatory clearances. The Offer is also subject to the other Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions to be set out in the Scheme Document.
- The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the

Virgin Money General Meeting and the expected timetable, and will specify the actions to be taken by the Virgin Money Shareholders. Subject to the Scheme Document being posted to Virgin Money Shareholders as soon as practicable following the date of this Announcement (subject to the availability of the Court to approve the Scheme Document for posting), the Panel has consented to a posting date later than 28 days following this Announcement.

- It is expected that the Circular, containing details of the Offer and notice of the CYBG General Meeting, will be posted to CYBG Shareholders at or around the same time as the Scheme Document is posted to the Virgin Money Shareholders, with the CYBG General Meeting held at or around the same time as the Virgin Money Meetings.
- It is expected that the Prospectus, containing information about the CYBG Group, the Virgin Money Group and the New CYBG Shares, will be published at or around the same time as the Scheme Document is posted to the Virgin Money Shareholders.
- The Offer is expected to complete during calendar Q4 of 2018, subject to the satisfaction (or, where applicable, waiver) of the Conditions set out in Appendix 1 to this Announcement.

Commenting on the Offer, Jim Pettigrew, Chairman of CYBG, said:

"I am delighted we are announcing the combination of the CYBG and Virgin Money businesses. It is clear to us that the Combined Group can transform the UK banking landscape and offer real benefits to customers and communities throughout the UK.

Since our IPO in 2016, the CYBG Board and leadership team has established CYBG as a strong and sustainable business, with a track record of delivery and the credentials to deliver a transformational combination with Virgin Money.

Our recommended offer can deliver real value for all shareholders and create a powerful force in UK banking."

Commenting on the Offer, David Duffy, CEO of CYBG, said:

"The combination of CYBG and Virgin Money will create the first true national competitor to the status quo in UK banking, offering a genuine alternative for consumers and small businesses.

By combining two of the UK's leading challenger banks, we will create a national, full-service bank with the capabilities needed to compete effectively with the large incumbent banks. We are bringing together CYBG's 175-year heritage in serving retail and SME customers and advanced digital technology, with the iconic Virgin Money brand and consumer champion credentials.

Together we will serve around six million customers, with the scale, capabilities and financial muscle to disrupt the status quo - and with a clear ambition to provide our customers with the best service in the UK.

CYBG and Virgin Money have similar values, with strong roots in our regional heartlands and a shared vision for how the Combined Group can be a leading force in the banking model of the future, whilst maintaining our strong people-focused values. I am hugely positive about what we can achieve together with the talent that is available on both sides.

The strategic rationale is clear and offers both sets of shareholders real value, material earnings accretion, and enhanced capital generation for the benefit of all shareholders, together with both firms' customers, colleagues and local communities."

Commenting on the Offer, Jayne-Anne Gadhia, CEO of Virgin Money, said:

"When Virgin Money was established in financial services in 1995, we vowed to change the world of banking for good.

We were the first UK financial services company to offer investment products directly to customers. We transformed the mortgage market and, as a result, saved customers hundreds of millions of pounds by introducing daily mortgage interest calculations. In January 2012 we successfully acquired Northern Rock and built a broader business from the solid foundations and wonderful people of the North East of England.

We aim to offer good value to customers, treat employees well, make a positive contribution to society and create value for shareholders. Since January 2012 we have more than doubled our customer lending and delivered strong and growing profitability. There are now just over 3,200 Virgin Money colleagues serving 3.4 million customers.

Since our IPO in November 2014, we have delivered against our strategic and financial objectives, demonstrating balanced organic growth while maintaining our responsible approach to lending. The operating environment since our IPO has presented many challenges and we have been delighted by how our colleagues have responded. Virgin Money's customer focus and nimble approach to distribution and pricing, coupled with a prudent focus on cost

management and asset quality, have enabled us to drive strong returns for shareholders.

Our intention has always been to make everyone better off.

The Offer reflects confidence in our strategy, our track record of delivery and the complementary strengths of the two businesses. The combination of Virgin Money with CYBG will have greater scale to challenge the big banks. It will also accelerate the delivery of our strategic objectives, particularly the expansion of the products we offer to customers.

I am especially pleased that we have received a number of important commitments from CYBG. The Virgin Money Foundation will continue to contribute to essential programmes in the North East and beyond. We have obtained assurances from CYBG regarding our employees (including a commitment to leverage the best talent from both CYBG and Virgin Money) and our Gosforth headquarters. The Combined Group will remain a committed voice behind the Women in Finance Charter as well as working to reduce the gender pay gap.

This is a compelling deal for our shareholders, that accelerates value delivery and represents the beginning of the next chapter of the Virgin Money story."

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Offer, and other information published by CYBG and Virgin Money contain statements which are, or may be deemed to be, "forward-looking statements". All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on assumptions, expectations, valuations, targets, estimates, forecasts and projections of CYBG and Virgin Money about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Offer on the CYBG Group, the Virgin Money Group and the Combined Group, the expected timing and scope of the Offer and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "budget", "targets", "aims", "scheduled", "estimates", "forecast", "intends", "anticipates", "seeks", "prospects", "potential", "possible", "assume" or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Although CYBG and Virgin Money believe that the expectations reflected in such forward-looking statements are reasonable, CYBG and Virgin Money can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of CYBG and/or Virgin Money) because they relate to events and depend on circumstances that may or may not occur in the future.

There are a number of factors that could affect the future operations of the CYBG Group, the Virgin Money Group and/or the Combined Group and that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction (or, where permitted, waiver) of the Conditions, as well as additional factors, such as: domestic and global business and economic conditions; asset prices; market related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, the repercussions of the UK's referendum vote to leave the European Union (EU), the UK's exit from the EU (including any changes to the UK currency), Eurozone instability, any referendum on Scottish independence), disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations, the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Combined Group to realise successfully any anticipated synergy benefits when the Offer is implemented (including changes to the board and/or employee composition of the Combined Group), the inability of the CYBG Group to integrate successfully the Virgin Money Group's operations and programmes when the Offer is implemented, the Combined Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Offer when the Offer is implemented. In particular, the capital position of the Combined Group is subject to confirmation of the regulatory treatment of the existing capital instruments issued by CYBG and Virgin Money post completion of the Offer, which is dependent on the final legal structure of the Combined Group. FOR IMMEDIATE RELEASE

18 JUNE 2018

**RECOMMENDED ALL-SHARE OFFER
FOR VIRGIN MONEY HOLDINGS (UK) PLC
BY
CYBG PLC**

1. Introduction

The Boards of CYBG PLC ("**CYBG**") and Virgin Money Holdings (UK) plc ("**Virgin Money**") are pleased to announce that they have agreed the terms of a recommended all-share offer to be made by CYBG for Virgin Money (the "**Offer**") to create the UK's first true national banking competitor.

Under the terms of the Offer, which will be subject to the conditions set out below and in Appendix 1 and to the further terms to be set out in the Scheme Document, the Virgin Money Shareholders will be entitled to receive:

1.2125 New CYBG Shares in exchange for each Virgin Money Share

Based on the Closing Price of 306 pence per CYBG Share on 15 June 2018 (being the last Business Day before the date of this Announcement), the Offer values each Virgin Money Share at 371 pence and Virgin Money's ordinary shares on a fully diluted basis at approximately £1.7 billion, representing a premium of:

- 19 per cent. to the Closing Price of 312 pence per Virgin Money Share on 4 May 2018 (being the last Business Day prior to the commencement of the Offer Period); and
- 35 per cent. to the volume weighted average price of 276 pence per Virgin Money Share for the three-month period ended 4 May 2018.

Following completion of the Offer, Virgin Money Shareholders will own approximately 38 per cent. of the Combined Group (on a fully diluted basis).

It is intended that the Offer will be implemented by way of a court-sanctioned scheme of arrangement between Virgin Money and the Virgin Money Shareholders under Part 26 of the Companies Act 2006, although CYBG reserves the right to effect the Offer by way of a Takeover Offer (subject to the terms of the Co-operation Agreement).

If Virgin Money announces, declares or pays any dividend or any other distribution to Virgin Money Shareholders on or after the date of this Announcement, CYBG reserves the right to make an equivalent reduction in the terms of the Offer. This right will not be invoked in respect of a dividend of up to 2.3 pence per Virgin Money Share in the event that such a dividend is declared by the Virgin Money Directors and paid in respect of Virgin Money's six month interim period ending 30 June 2018.

2. Background to and reasons for the Offer

The CYBG Directors believe that the banking industry in the UK is reaching an inflection point: more and more customers are choosing to interact digitally; new entrants are looking to disrupt the industry and partner with existing players; technological change is happening at a faster pace than ever before; and the implementation of the Payment

Services Directive 2 and Open Banking regulation aims to open up banking services and encourage competition. These trends are expected to transform existing bank business models in the UK, with an expected increase in partnerships and disintermediation of traditional value chains. The CYBG Directors believe that the successful banking propositions of the future will be digitally-led customer experiences supported by exceptional omni-channel service, with the winners delivering technology-enabled, customer-centric propositions that resonate with and enhance customers' lifestyles.

Recognising these underlying industry trends, the Combination will bring together the complementary strengths of two successful challenger banks to create the UK's first true national competitor to the large incumbent banks. The Combination will offer retail and SME customers an enhanced alternative to the status quo. The Combined Group will have the capabilities, scale and national presence required to lead the way in the Open Banking environment, with a full-service product offering across retail and SME, modern and innovative technology and the iconic Virgin Money national brand underpinned by a strong customer service culture.

The CYBG Board believes the Combination has a strong strategic and financial rationale as described below, creating a compelling opportunity for both sets of shareholders:

Scale and national presence:

- The combination of two of the largest challenger banks to create a national competitor of scale to the incumbent UK banks, with around six million customers, £69.5 billion customer loans, and £59.2 billion customer deposits.
- The Combined Group will benefit from national brand recognition and a complementary national branch network.

Full-service offering:

Retail offering:

- The Combined Group will be better positioned to serve the broader needs of the combined customer base by offering a more comprehensive range of products for retail clients, anchored on a core relationship PCA proposition, thereby deepening multi-product customer relationships as well as partnership opportunities with the wider Virgin Group.
- The Combined Group will have a complementary mix of product expertise, combining CYBG's strengths in PCAs and digital propositions, shared strengths in mortgages and Virgin Money's expertise in credit cards and digital savings. The CYBG Directors believe that the resulting omni-channel offering for both sets of customers will put the Combined Group at the forefront of customer service and convenience, with the potential to generate deeper customer relationships and higher product holdings.

SME offering:

- CYBG has a strong and long-established, full-service SME business with over £7 billion of customer loans and 200,000 customers. The Combination would accelerate the delivery of Virgin Money's current plans to build an SME business.
- In addition, as a Pool A eligible applicant for the alternative remedies package proposed by the EC and UK authorities to replace the commitment for The Royal Bank of Scotland to divest Williams & Glyn, the Combined Group will have an opportunity to accelerate the creation of a leading, digitally enabled SME proposition through a planned application to the Capability and Innovation Fund. This opportunity builds on CYBG's existing strengths and could help accelerate its ambition to deliver a differentiated SME proposition in UK banking. In addition, given CYBG's existing and substantive BCA offering, the Combined Group envisages playing a significant role in the proposed incentivised switching scheme as part of the alternative remedies package, further enhancing the Combined Group's potential to acquire new SME customers.

Iconic national brand and customer-focused cultures:

- Virgin is one of the most powerful and iconic brands in the UK, with 99 per cent. brand awareness.
- Under the Brand Licence Agreement, the Combined Group will have exclusive and perpetual access to use of the Virgin Money brand for financial services in respect of retail, SME and corporate customers in the UK. Virgin Money has a leading net promoter score of +37.
- It is envisaged that the retail brand for the Combined Group will transition to Virgin Money using a phased approach over a period of 36 months following completion of the Offer. The CYBG Directors believe that the Virgin Money brand has potential in the SME market, particularly in light of its entrepreneurial spirit. Testing of

the brand with existing CYBG SME customers and the wider SME market will be undertaken to evaluate the Virgin Money brand affinity with customers and the appropriate timescale for any rebranding exercise for CYBG's SME business.

- Use of the Virgin Money brand combined with CYBG's customer-centric product range and service model is expected to lead to higher awareness, consumer interest and advocacy across the UK over time, generating higher customer acquisition and greater customer retention for the Combined Group. The wider Virgin portfolio also provides attractive opportunities for partnerships and collaboration.
- The cultures of CYBG and Virgin Money already share many common attributes: a disruptor mindset; customer-centricity; a close alignment to business strategy; and a focus on diversity and inclusion. The Combined Group offers a real opportunity to capitalise on the strengths of both cultures. Both CYBG and Virgin Money are committed to a positive working culture in which employees can thrive and share a commitment to supporting talent, flexible working and a diverse and inclusive working environment. This includes continued support for the Women in Finance charter, and a continued commitment to take action to reduce the gender pay gap of the Combined Group.
- The Combined Group will establish a unifying purpose to seek to galvanise employees under the Virgin Money brand, to maintain a culture of customer centricity as well as guiding an ethical and sustainable approach to business. This will be supported by a strong set of common values which will be embedded into all people practices. It will continue to build on CYBG's innovative approach to performance, with a focus on team rather than individual contributions.

Innovative and modern technology:

- CYBG has an established, proven, scalable and resilient, Open Banking-enabled technology platform which has facilitated the development of innovative services for customers such as mobile cheque clearing and account aggregation using secure, open APIs. The addition of Virgin Money's iconic national brand to this existing proposition is expected to increase customer awareness and interest in the offering.
- CYBG is in the process of migrating its retail and SME products onto its Open Banking-enabled technology platform, with retail customers already successfully migrated and SME customers in the process of migrating during 2018. This has provided the opportunity to test and demonstrate the scalability of the platform.
- The Combined Group will benefit in the future from CYBG's technology platform supporting all products, services and customer interactions. This will deliver business advantages in terms of flexibility, security and data insights. In addition, it will allow Virgin Money to avoid the significant investment and time required to build its own digital bank.

Low-complexity integration plan and management strength:

- The proposed phased migration and re-branding approach will be separated into several distinct phases aligned to transaction events that minimise the complexity to deliver and any impact on customers. This will be achieved in particular by leveraging product maturities and limiting the use of large-scale automated transfers, thereby avoiding any large migration events within the process.
- All Virgin Money products and customers will be migrated in phases over time to CYBG's robust IT platform, with the exception of credit cards where CYBG card customers will be migrated to the TSYS platform used by Virgin Money. TSYS is a modern platform with open architecture, which will be integrated with CYBG's proprietary platform.
- The nature of both businesses' portfolios reduces execution risk and provides greater optionality for integration and migration for the Combined Group. A number of options are being considered for migrating the small number of Virgin Money PCAs (approximately 100,000) including the industry standard Current Account Switching Service ("CASS"), which would eliminate the need for a single-event migration of these higher-interaction accounts. CYBG has significant experience of PCA on-boarding, including using CASS to on-board nearly 20,000 accounts in two weeks as part of its current account switching campaign in October 2017. It is expected that a significant majority of Virgin Money mortgages and cash ISAs will be migrated to CYBG platforms on renewal. Virgin Money personal and business savings accounts are expected to be migrated using an automated transfer. It is currently estimated that approximately 30 per cent. of all accounts of the Combined Group will be part of a transfer or migration process within the proposed integration plan.
- CYBG is developing a detailed plan to ensure that integration can be achieved with minimal impact on the customers and other stakeholders of the Combined Group. It is expected that the IT migration will be phased over 36 months in order to minimise execution risk with operational integration phased over a similar timeframe.

- Both CYBG and Virgin Money are organisations with a strong track record in delivering large-scale transformation. The integration delivery team will draw on this management experience and be closely supervised by David Duffy, the CEO of the Combined Group.

The CYBG Directors believe these capabilities provide the Combined Group with the attributes it needs to be a leading force in the Open Banking environment, disrupting the status quo and championing customer service in the future financial services landscape.

Furthermore, the CYBG Directors believe that successful future banking models will leverage partnerships to innovate and to bring together additional products and services that increase customer convenience. CYBG's technology platform has the capability to interact with fintech and other partners and the Combined Group will also have enhanced opportunities to link customer propositions with services, including the opportunity to partner with the wider Virgin portfolio of branded businesses.

Significant synergy and value creation potential:

- The CYBG Directors expect the Combined Group to generate £120 million of annual pre-tax cost synergies, run rate by the end of the financial year ending 30 September 2021. CYBG believes these synergies will deliver substantial value for all shareholders. Further detail on the quantified synergies and the costs to achieve them is given in paragraph 4 below.
- CYBG also expects additional value creation through avoidance of planned future Virgin Money digital bank running costs, revenue synergies and funding synergies over time which have not been quantified for reporting under the Takeover Code.

Diversified, low-risk balance sheet:

- The Combined Group will benefit from a diversified and stable funding model. This will comprise a mix of PCAs, BCAs, savings accounts and wholesale funding. The Combined Group's total customer deposit base of £59.2 billion equates to approximately 77 per cent. of total funding, with approximately 30 per cent. of total funding related to core relationships (defined as PCA and BCA balances and savings balances linked to those same PCA and BCA customers). The Combined Group will seek to benefit from the pro forma historical renewal rate of approximately 80 per cent. for CYBG's and Virgin Money's fixed term savings products.
- Term Funding Scheme ("TFS") funding in aggregate comprises £8.7 billion, which represents 11 per cent. of total funding. The CYBG Directors believe that the Combined Group's diversified funding model will enable it to refinance its outstanding TFS balances in advance of their contractual maturities. Furthermore, the CYBG Directors believe that as part of the Combined Group's overall funding strategy the Combined Group would be able to utilise multiple funding sources including PCA growth, BCA growth (including leveraging the RBS alternative remedies package), savings growth, and ongoing wholesale issuance including MREL.
- Based on the latest financial year end disclosures, the Combined Group will have £83.5 billion of total assets and a £69.5 billion total customer loan portfolio. The loan portfolio includes £57.8 billion of mortgages, representing 83 per cent. of total customer lending. These mortgages have an average indexed loan-to-value of 57.2 per cent., a net cost of risk of one basis point and a non-performing loan ratio of 0.6 per cent.
- The remaining customer loan portfolio comprises: £7.4 billion of SME and corporate lending; a £3.5 billion credit card portfolio; and other unsecured lending of £0.8 billion.
- Virgin Money's prime credit card portfolio will transfer to the Combined Group, providing growth optionality in unsecured lending. Virgin Money's credit card portfolio is more concentrated in lower risk segments (classified as segments of the loan book with lower than 2.5 per cent. expected loss rates), compared to the broader industry: 92 per cent. of Virgin Money's credit card portfolio versus 81 per cent. for the industry. The focus on prime lending has contributed to a lower charge-off rate compared to the industry and a declining impairment ratio in the credit card portfolio experienced by Virgin Money for the three years to December 2017: 200bps (2015FY), 170bps (2016FY) and 151bps (2017FY).
- As part of the fair valuation exercise to be conducted at completion of the Offer, CYBG will finalise its review of Virgin Money's accounting policies and practices. As part of this process, CYBG will focus on reviewing the inputs to the Effective Interest Rate ("EIR") methodology for the Combined Group.

Strong pro forma capital position:

- The CYBG Directors believe the Combined Group will have a strong capital position following the completion of the Offer. The day one pro forma RWAs for the Combined Group are expected to be approximately £29 billion, the CET1 ratio is expected to be in excess of 12 per cent. and the Combined Group will maintain a

significant buffer in excess of its regulatory minimum capital requirements.

- The Combined Group's pro forma fully loaded CRD IV CET1 ratio minimum requirement is expected to be 10.4 per cent (including Pillar 1, Pillar 2A, CCB and CCYB buffers), based on the latest disclosed Pillar 2A requirements for both CYBG, as at 31 March 2018, and Virgin Money, as at 31 December 2017.
- In addition, the Combined Group has the potential to benefit from RWA reductions over time. CYBG has increasing confidence that it will receive IRB accreditation for its mortgage portfolio by 1 October 2018. Virgin Money has also stated its objective to reduce its mortgage RWAs.

Reinforces delivery of existing financial targets:

- CYBG expects to deliver:
 - *Mid-single digit CAGR loan growth to FY19:* Sustainable growth ambition continues;
 - *Loan to deposit ratio of less than 120 per cent.:* Diversified funding model continues;
 - *Cost to income ratio ("CIR") of 55-58 per cent. by FY19:* CIR at the lower end of the target range with significant cost synergies achievable over time;
 - *Double-digit return on tangible equity by FY19:* Returns target maintained; and
 - *50 per cent. dividend pay-out ratio over time:* Accelerated progressive dividend ambition.

Earnings accretive to all shareholders:

- The Combination is expected to be materially accretive for both sets of shareholders on an earnings per share basis once full cost synergies have been delivered.

Strong capital generation accelerates progressive dividend ambitions:

- The CYBG Directors expect that the delivery of significant cost synergies and enhanced earnings potential created by the Combination will support improved capital generation in the future. This would provide capacity for necessary investment in the business to drive and support sustainable asset growth as well as funding the initial investment required to achieve the cost synergies identified through the Combination.
- Given the expected strong capital generation, the Combined Group should be well placed to accelerate both CYBG and Virgin Money's progressive dividend ambitions.

3. Arrangements with Virgin Group

The CYBG Directors believe that the use of Virgin Money's iconic national brand combined with CYBG's customer-centric propositions will drive further growth opportunities for the Combined Group.

(i) Brand Licence Agreement

With effect from the completion of the Offer, CYBG's use of the Virgin Money brand will be licensed under the Brand Licence Agreement, and governed by its terms.

Scope

The Brand Licence Agreement grants CYBG exclusive rights in the UK to use the "Virgin Money" names and logos, as well as certain related non-exclusive rights to use the "Virgin" trade marks (together, the "**Licensed Trade Marks**"), in each case in connection with the Licensed Activities summarised below.

CYBG may use, and sub-license its rights to use in certain circumstances, the Licensed Trade Marks in respect of all banking or financial services and products offered by UK clearing banks or challenger banks, all investment or savings products and services, and all insurance products and services, each including all such services offered by CYBG prior to completion of the Offer, as well as other ancillary services ("**Licensed Activities**").

Must use

CYBG will be required to operate at least 80 per cent. of its Licensed Activities, calculated quarterly by reference to the CYBG Group's turnover, under the "Virgin Money" brand, following the rebranding period which is expected to be no more than 3 years.

Fees payable / Royalties

Following completion of the Offer, CYBG will be liable to pay a fixed royalty as follows: up to £3 million during the period from completion of the Offer to the First Quarter Date; £12 million for the first year from the First Quarter Date (Year 1); £13 million for the second year from the First Quarter Date (Year 2); £14 million for the third year from the First Quarter Date (Year 3); and £15 million for the fourth year from the First Quarter Date (Year 4).

Thereafter, the royalty fee will comprise a minimum payment of £15 million annually (the "**Minimum Royalty**") plus, unless the CYBG Group generates turnover greater than £2.1 billion in Year 3 (the "**Threshold Amount**"), a one per cent. royalty on any incremental turnover against Year 3 turnover.

If the CYBG Group turnover exceeds the Threshold Amount in Year 3, then for each subsequent 12-month period, the royalty will comprise a minimum payment of £15 million plus a one per cent. royalty on incremental CYBG Group turnover above £2.1 billion.

The Minimum Royalty is subject to annual indexation after Year 4, with any change in the amount of the Minimum Royalty payable as a result of indexation being set-off (to the extent possible) against the amount of the royalty payable on applicable incremental CYBG Group turnover.

Director Nomination Right

Virgin Enterprises is entitled to nominate one person to be a non-executive director of CYBG.

Brand collaboration with Virgin Enterprises

CYBG and Virgin Enterprises will work together collaboratively in relation to the rebranding of CYBG's business as well as in relation to the ongoing use of the "Virgin Money" brand.

Indemnity / Liability

Subject to certain exceptions, CYBG has agreed to indemnify Virgin Enterprises for all third party claims brought against Virgin Enterprises by reason of CYBG's use of the Licensed Trade Marks in breach of the Brand Licence Agreement and/or CYBG carrying out the Licensed Activities.

Subject to certain exceptions, Virgin has agreed to indemnify CYBG for all third party claims brought against CYBG that the use of the Licensed Trade Marks pursuant to the Brand Licence Agreement infringes the third party's intellectual property rights.

Each party's total liability under the Brand Licence Agreement is capped at £200 million (save for royalties and any termination fee payable by CYBG).

Term and Termination Rights

The Brand Licence Agreement has a perpetual term, subject to each party's termination rights.

Virgin Enterprises is entitled to terminate the Brand Licence Agreement if CYBG, among other things: (i) materially damages the brand; (ii) is in continuing material breach; (iii) undergoes a prohibited change of control; (iv) becomes insolvent; or (v) acquires a business whose business primarily consists of a "prohibited activity" as defined in the Brand Licence Agreement. In certain circumstances, the termination of the Brand Licence Agreement by Virgin Enterprises for cause entitles it to receive a termination fee from CYBG in lieu of a damages claim.

CYBG may terminate the Brand Licence Agreement if Virgin, among other things, materially damages the brand or becomes insolvent.

Following a change of control of CYBG, the Brand Licence Agreement may be terminated at the option of CYBG upon payment of a termination fee. Otherwise, the Brand Licence Agreement continues in full force and effect and the acquirer of CYBG is required to guarantee certain of CYBG's obligations under the Brand Licence Agreement.

It is also a condition to the Offer that the Existing Brand Licence Agreement between Virgin Money and Virgin Enterprises is not terminated prior to the Effective Date.

Governing Law

The Brand Licence Agreement is governed by English law and is subject to the jurisdiction of the Courts of England and Wales.

Shareholder approval

The Brand Licence Agreement is conditional upon the passing of the Brand Licence Resolution. The Independent

Virgin Money Directors intend unanimously to recommend that the Independent Virgin Money Shareholders vote in favour of the Brand Licence Resolution. The Brand Licence Resolution is a non-waivable condition and if it is not passed the Offer will lapse and the transaction will not proceed to completion. The Brand Licence Agreement is conditional upon the Offer becoming Effective. It is also a condition to the Offer that the Existing Brand Licence Agreement has not been terminated prior to the Offer becoming Effective.

The terms of the Brand Licence Agreement are considered by Goldman Sachs, Virgin Money's financial adviser, to be fair and reasonable. In forming this view, Goldman Sachs has taken into account the commercial assessments of the Independent Virgin Money Directors.

Further details relating to the Brand Licence Agreement and the Brand Licence Resolution will be set out in the Scheme Document.

(ii) Irrevocable Undertaking

CYBG has received an irrevocable undertaking to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the Virgin Money General Meeting from Virgin Holdings in respect of 155,120,454 Virgin Money Shares (representing approximately 34.8 per cent. of the issued ordinary share capital of Virgin Money as at 15 June 2018, being the last Business Day before the date of this Announcement).

The undertaking given by Virgin Holdings will cease to be binding in the following circumstances:

- (a) the Scheme Document is not published within 28 days (or such longer period as the Panel may agree) of the date of the Announcement;
- (b) the Scheme lapses or is withdrawn in accordance with its terms and CYBG publicly confirms that it does not intend to proceed with the Offer or to implement the Offer by way of a Takeover Offer;
- (c) CYBG has exercised its right to implement the Offer by way of a Takeover Offer and the Takeover Offer lapses or is withdrawn;
- (d) the Scheme has not become effective by 6.00 p.m. on the Long Stop Date (or such later time or date as agreed between CYBG and Virgin Money, with the approval of the Court and/or the Panel if required); or
- (e) at any time prior to the Scheme becoming effective, a third party announces a firm intention to make an offer to acquire the entire issued and to be issued ordinary share capital of Virgin Money, which in Virgin Holdings' reasonable opinion represents an improvement to the terms of the Offer.

Further details of this irrevocable undertaking are set out in Appendix 3 to this Announcement.

4. Potential synergies and integration planning

The CYBG Directors, having reviewed and analysed the potential synergies of the Combined Group, as well as taking into account the factors they can influence, believe that the Combined Group can deliver shareholder value through expected realisation of approximately £120 million of annual pre-tax cost synergies. Incremental to these quantified cost synergies, the Combined Group will benefit from avoiding planned future Virgin Money digital bank running costs, given the existing CYBG capabilities.

It is currently envisaged that the approximately £120 million of annual pre-tax cost synergies will be realised principally from:

- i) **Organisational design:** Reduction of FTEs across the Combined Group, removing duplication of senior management roles, delivering approximately £35 million of run rate cost savings.
- ii) **Central cost management:** Approximately £35 million of run rate cost savings generated by rationalisation of the Combined Group's central functions locations; with scale efficiencies in IT, central procurement costs, third party outsourcing and other operating expenses. Central cost management savings are net of incremental trademark licence fees related to the use of the Virgin Money brand.
- iii) **Operational efficiency:** Reduction of FTEs across the Combined Group through removing duplication of central functions roles, integrating customer service operating models and driving efficiencies through increased digitisation and automation, delivering approximately £35 million of run rate cost savings.
- iv) **Network efficiencies:** Optimisation of the Combined Group's branch network, delivering approximately £15 million of run rate cost savings.

The run rate of these annual pre-tax cost synergies will be fully achieved by the end of the financial year ending 30

September 2021, with approximately 28 per cent. achieved as at 30 September 2019 and approximately 67 per cent. as at 30 September 2020. It is therefore expected that the first year of full run rate cost synergies will be the financial year ending 30 September 2022. The cost synergies recognised during the financial year ending 30 September 2019 are expected to be approximately £20 million and approximately £50 million recognised during the financial year ending 30 September 2020.

The identified recurring cost synergies will accrue as a direct result of the Combination and would not be achieved on a standalone basis.

It is expected that the realisation of these cost synergies would result in one-off pre-tax costs to achieve of approximately £240 million. These are expected to be phased broadly evenly across a three year period: employee restructuring costs and IT migration strategy phased over all three years following completion of the Offer, contract break fees to be recognised in the third year following completion of the Offer, and the optimisation of branches and office locations to be achieved in years two and three following completion of the Offer. Aside from these one-off exceptional costs and the incremental trademark licence fees incorporated into the assessed cost synergies, no material dis-synergies are expected in connection with the Combination.

These statements relating to identified synergies and estimated savings relate to future actions or circumstances which by their nature involve risks, uncertainties and contingencies. As a consequence, the identified synergies and estimated savings referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Please refer to Appendix 4 for further details on these anticipated cost synergies. The Quantified Financial Benefits Statement set out above has been reported on under the Takeover Code by Deloitte, and by CYBG's financial advisers, Morgan Stanley and Deutsche Bank. Each of Deloitte, Morgan Stanley and Deutsche Bank has given and not withdrawn its consent to the publication of its report in this Announcement in the form and context in which it is included. Copies of their reports are included in Parts B and C of Appendix 4. References in this Announcement to the anticipated synergies should be read in conjunction with Appendix 4.

Separately, the Combined Group is expected to incur approximately £60 million of one-off pre-tax costs associated with the rebranding exercise, expected to be largely incurred during the first two years following completion of the Offer. The majority of the costs associated with the rebranding exercise relate to products, IT and property. These rebranding costs replace the costs that would otherwise have been required to scale the B brand more widely.

The CYBG Directors believe that the Combined Group will benefit from the rebranding exercise, realising incremental revenue synergies from the use of the Virgin Money brand across an enhanced product range, thereby driving increased customer loyalty, higher sales conversion and an enhanced customer relationship. A rebranding steering committee (which will include representatives of Virgin Enterprises) and a rebranding working group will be set up in due course to ensure the rebranding process is undertaken in an effective manner, including by leveraging the experience that Virgin Enterprises has gained from prior rebranding exercises.

In addition, the CYBG Directors believe the Combined Group will benefit from funding synergies that are expected to be available over time.

These potential revenue and funding synergies, as well as the avoided planned future Virgin Money digital bank running costs, have not been quantified for the purposes of reporting under the Takeover Code.

It is intended that an integration team will be established, which will bring together the relevant CYBG and Virgin Money capabilities, to ensure that the implementation of the synergy and integration programme is effected in an efficient and effective manner. As at the date of this Announcement, a detailed integration plan is being compiled. Finalisation of the integration plan will be subject to engagement with appropriate stakeholders, including employee representative bodies and unions. The integration process will be carefully managed to leverage the best talent from both the CYBG and Virgin Money businesses and ensure that the necessary implementation measures are taken with the least disruption to the Combined Group's operations and customer base.

5. **Virgin Money recommendation**

The Independent Virgin Money Directors, who have been so advised by Goldman Sachs as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing advice to the Independent Virgin Money Directors, Goldman Sachs has taken into account the commercial assessments of the Independent Virgin Money Directors.

The terms of the Brand Licence Agreement are considered by Goldman Sachs, Virgin Money's financial adviser, to be fair and reasonable. In forming this view, Goldman Sachs has taken into account the commercial assessments of the Independent Virgin Money Directors.

Accordingly, the Independent Virgin Money Directors intend unanimously to recommend that the Virgin Money Shareholders vote in favour of the resolutions relating to the Offer (including the Brand Licence Resolution) at the Virgin Money Meetings (or in the event that the Offer is implemented by Takeover Offer, to accept or procure acceptance of such offer), as the Virgin Money Directors who own Virgin Money Shares have irrevocably undertaken to do in respect of their own beneficial holdings totalling 2,612,309 Virgin Money Shares (representing approximately 0.586 per cent. of the issued ordinary share capital of Virgin Money as at 15 June 2018, being the last Business Day before the date of this Announcement).

Further details of these irrevocable undertakings are set out in Appendix 3.

6. **Background to and reasons for the recommendation of the Offer**

Since its acquisition of Northern Rock in 2012, Virgin Money has pursued a growth strategy focused on creating a digital, data-driven, customer-centric bank and diversifying into the SME market, and has enjoyed significant growth. By 31 March 2018, Virgin Money had total loans outstanding of approximately £37 billion and just over 3,200 employees serving 3.34 million customers across 74 UK-wide stores and 8 lounges.

Following its initial public offering on the London Stock Exchange in November 2014, Virgin Money has consistently delivered against its key strategic objectives and financial targets demonstrating balanced organic growth within a consistent, robust approach to risk management. This growth, in combination with its efficient operating model, has enabled Virgin Money to deliver strong and growing profitability, such that it has achieved a return on tangible equity of 14 per cent with a 13.8 per cent CET1 ratio as at 31 December 2017.

The Independent Virgin Money Directors remain confident in the ongoing execution of its strategy as an independent company and that successful delivery of its strategy will provide long-term growth and create significant value for shareholders. While mindful of the strong track record of delivery since listing in 2014, the Independent Virgin Money Directors have, in considering the offer made by CYBG, also taken into account the likely time it will take for Virgin Money to fully deliver on its strategy and the possible macro-economic and competitive headwinds that might further emerge. In addition, the Independent Virgin Money Directors believe that the Combination would be able further to enhance its growth strategy and efficiency, benefitting from increased scale and an acceleration in capabilities, particularly in SME and current accounts.

Overall, the Independent Virgin Money Directors believe the Offer is compelling. It is expected to deliver strong outcomes for Virgin Money stakeholders. In particular, shareholders can benefit from accelerated value delivery.

In reviewing this Offer, the Independent Virgin Money Directors have taken account of shareholder value, the impact on wider stakeholders and a range of transaction considerations.

Shareholder value

For shareholders, the Independent Virgin Money Directors believe the Offer delivers accelerated value creation through an upfront premium, coupled with participation in the continuing progress of the Combined Group including sharing of the expected synergies. In particular, the Independent Virgin Money Directors note that:

- At the agreed exchange ratio of 1.2125, the Offer results in Virgin Money shareholders owning approximately 38 per cent. of the Combined Group, and based on a Closing Price of 306 pence per CYBG Share on 15 June 2018 (being the last Business Day before the date of this Announcement), the Offer values each Virgin Money Share at 371 pence, representing:
 - a premium of 19 per cent. to the Closing Price of 312 pence per Virgin Money Share on 4 May 2018 (being the last Business Day prior to the commencement of the Offer Period);
 - a premium of 35 per cent. to the volume weighted average price of 276 pence per Virgin Money Share for the three-month period ended 4 May 2018;
 - a total return to investors since IPO of 37 per cent.; and
 - a valuation multiple of approximately 1.28 times Virgin Money's Tangible Book Value per share at 31 December 2017.
- Shareholders are expected to benefit from the realisation of synergies commensurate with their ownership of the Combined Group.
- The CYBG Directors believe the strong capital generation of the Combined Group will accelerate CYBG's progressive dividend ambitions.

Impact on wider stakeholders

For customers, the Combination creates a new national competitor in UK banking, improving competition and providing an enhanced product range - benefitting both Virgin Money and CYBG's customers and UK consumers as a whole.

For employees, the Independent Virgin Money Directors expect there to be opportunities within the Combined Group through the creation of a new, larger force in UK banking.

Recognising that there will be a loss of jobs as a result of the Combination, the Independent Virgin Money Directors welcome CYBG's intention to leverage the best talent of both Virgin Money and CYBG colleagues.

The Independent Virgin Money Directors have been very focused on the interests of Virgin Money employees and attach importance to the commitments made by CYBG to protect employees' rights with regard to employment terms, redundancies and pension obligations. Further, the Independent Virgin Money Directors have taken comfort from CYBG's stated intention to maintain a substantial base in Gosforth for at least three years following completion of the Offer.

The Independent Virgin Money Directors welcome CYBG's commitment to the Women in Finance Charter and to take action to reduce the gender pay gap of the Combined Group.

For communities, the Independent Virgin Money Directors applaud the commitment by CYBG to continue to support the Virgin Money Foundation, and to honour its commitments through ongoing financial support for at least the next three years.

Finally, the Independent Virgin Money Directors note CYBG's stated intention to establish a unifying purpose within the Combined Group to inform an ethical business direction, which is expected to support essential cultural alignment.

Transaction considerations

In reviewing the Offer, the Independent Virgin Money Directors have taken into account a range of transaction considerations including capital adequacy and CYBG's approach to integration. In particular, the Independent Virgin Money Directors have taken account of:

- CYBG's stated expectation that the pro forma entity will have a CET1 ratio in excess of 12 per cent at completion; CYBG's increasing confidence in receiving IRB accreditation for its mortgage portfolio by 1 October 2018, which will make the pro forma CET1 ratio higher; and
- CYBG's stated intention to mitigate integration risk through a proposal to separate migration and re-branding into several distinct phases to minimise complexity and the impact on customers.

Recommendation

Just over twenty years ago Virgin Money was launched with the ambition of building a business capable of delivering real, sustained change to UK banking. Today's Announcement is the next step towards delivering on that promise.

The decision making process of the Independent Virgin Money Directors has been entirely independent from any decision making by Virgin Group.

Following careful consideration of the above factors, the Independent Virgin Money Directors intend to recommend that Virgin Money Shareholders accept the Offer.

7. Strategic plans and intentions with regard to management, employees and places of business

Throughout integration, purpose and culture will be central to continuing to build a customer centric business with high levels of engagement and motivation whilst minimising risk of disruption and maximising performance.

Board of the Combined Group

Jim Pettigrew, Chairman of CYBG, David Duffy, CEO of CYBG and Ian Smith, CFO of CYBG, will retain their current positions in the Combined Group.

Jayne-Anne Gadhia, CEO of Virgin Money has been in her current role with Virgin Money for over 10 years. She brings a wealth of experience in successfully leading customer-facing banking businesses and delivering the Virgin Money brand to customers. She has agreed, in principle, to support the Combined Group as a senior adviser to the CEO (in a consultancy role) for a period of time beyond completion of the Offer, on terms to be agreed.

It has been agreed that two of the non-executive directors currently on the Virgin Money Board, as well as one non-executive director nominated by Virgin Enterprises pursuant to its rights under the Brand Licence Agreement, will

become members of the CYBG Board on completion of the Offer, subject to the usual regulatory approvals. The remaining non-executive directors of Virgin Money will step down at completion of the Offer.

Management and employees

CYBG attaches great importance to the skills and experience of the existing management and employees of the Virgin Money Group. CYBG will aim to leverage the best talent across the Combined Group and management and employees of the Virgin Money Group will have the possibility of benefiting from potential new opportunities within the Combined Group following the Combination.

The CYBG Board recognises that, in order to achieve the expected benefits of the Combination, operational and administrative restructuring will be required following completion of the Combination. As a result of the significant operational overlap between CYBG and Virgin Money, the Combined Group will be able to reduce the duplication of roles, leading to a decrease in the total number of FTEs. It is currently expected that the total number of FTEs of the Combined Group, being approximately 9,500 FTEs, will reduce by approximately 16 per cent., some of which will take place via natural attrition. The CYBG Board does not expect any material change to the balance of skills and functions in the Combined Group.

Following completion of the Offer, the existing contractual and statutory employment rights of the Virgin Money employees will be observed and pension obligations complied with, in accordance with applicable law. CYBG does not envisage making any material changes to the conditions of employment of Virgin Money employees or the existing agreed pension contributions for existing members of the Virgin Money pension plans or admission of new members into the existing Virgin Money defined contribution pension plans in connection with completion of the Offer. CYBG has also agreed to maintain Virgin Money's redundancy policies, for a period of three years from completion of the Offer.

Jayne-Anne Gadhia (the "**Virgin Money CEO**") has agreed to step down from her current role upon completion of the Offer and has entered into a settlement agreement with Virgin Money which will take effect from completion of the Offer. The settlement agreement has been agreed between the Virgin Money CEO and Virgin Money.

The current directors' remuneration policy of Virgin Money does not provide for executive directors to receive redundancy payments on the same basis as all the other employees of the Virgin Money Group in accordance with the Virgin Money Group's current redundancy policy. To remove this difference in treatment, Virgin Money will propose to Virgin Money Shareholders at the Virgin Money General Meeting an amendment to the directors' remuneration policy to permit the payment of redundancy payments to Virgin Money executive directors on the same basis as other employees. If the resolution is passed by Virgin Money Shareholders, a redundancy payment will be made to the Virgin Money CEO pursuant to the terms of the settlement agreement. Further details of the resolution to be put to the Virgin Money Shareholders (the passing of which will not be a condition to the Scheme) will be set out in the Scheme Document.

At this stage, CYBG and Virgin Money have had limited preliminary discussions on future incentivisation arrangements for the directors and employees of Virgin Money.

Places of business

CYBG intends that the Combined Group will maintain a substantial base in Gosforth for at least three years following completion of the Offer. CYBG does not intend to materially alter the overall size or nature of operations at its Glasgow headquarters.

As a result of the significant overlap in operational functions between CYBG and Virgin Money, CYBG expects to derive significant run-rate cost synergies from the rationalisation of the Combined Group's property portfolio to remove duplication over time. It is expected that the majority of these savings will be derived from the optimisation of CYBG and Virgin Money's respective branch networks. In addition, CYBG expects the rationalisation of a limited number of operational function offices, in two to three years' time. Until the integration planning work has been completed, the precise impact of the Combination on the places of business of the Combined Group will not be known, but where practicable, the aim will be to relocate staff in nearby locations of the Combined Group. CYBG does not intend to redeploy any material fixed assets of Virgin Money.

Research and development

Owing to the nature of its business, Virgin Money does not conduct significant research and development activities, but to the extent any such activities are currently undertaken, they are not expected to be impacted in any material way by the Combination.

Diversity

CYBG intends that the Combined Group will remain a committed supporter of the Women in Finance Charter and will continue to take action to reduce its gender pay gap in line with the Annual Report and Accounts of CYBG. The Combined Group will remain transparent on its reporting of progress both on the Women in Finance Charter and its gender pay gap.

Virgin Money Foundation

CYBG recognises the considerable impact the Virgin Money Foundation has had in promoting the sustainable regeneration of socially and/or economically deprived communities across the UK, with particular focus on the North East of England, and intends not only to support the final £1 million instalment of the £4 million pledge to the Virgin Money Foundation which is due in the tax year ending 31 March 2019, but also to continue to provide up to £400,000 per annum of financial support to the Virgin Money Foundation to cover its operating costs, as well as an annual donation of at least £1 million per annum (to be invested in charitable causes), for at least three years after completion of the Offer.

The statements above will be treated as post-offer intention statements by CYBG for the purpose of Rule 19.6 of the Takeover Code.

8. **Dividends**

If Virgin Money announces, declares or pays any dividend or any other distribution to Virgin Money Shareholders on or after the date of this Announcement, CYBG reserves the right to make an equivalent reduction in the terms of the Offer. This right will not be invoked in respect of a dividend of up to 2.3 pence per Virgin Money Share in the event that such a dividend is declared by the Virgin Money Directors and paid in respect of Virgin Money's six month interim period ending 30 June 2018.

As noted above, given the expected strong capital generation, the CYBG Directors believe the Combined Group should be well placed to accelerate both CYBG and Virgin Money's progressive dividend ambitions.

9. **Information relating to CYBG Group**

With over 175 years of history, the CYBG Group is a leading mid-sized UK retail and SME bank with a long-established customer franchise across its core regions (Scotland, North East England, North West England, Yorkshire and the Humber) and selected national markets. Headquartered in Glasgow, Scotland, the CYBG Group offers, through its community brands "Clydesdale Bank" and "Yorkshire Bank", a full range of banking products and services, including mortgages, current accounts, deposits, term lending, personal loans, working capital solutions, overdrafts, credit cards and payment and transaction services. Clydesdale Bank is also one of only a small number of banks in the world that issues banknotes.

In 2016 the CYBG Group launched a new app-based digital banking service under the "B" brand, offering PCAs, savings and transaction banking services in the UK. The range of products and services available in this digital proposition continues to expand and evolve.

The CYBG Group's long-established retail and SME franchises, serving 2.8 million customers, have significant scale and strength in PCAs, BCAs, SME lending and mortgages in its core regions. As at 31 March 2018, the CYBG Group had £28.4 billion of customer deposits and a £32.7 billion customer loan portfolio, of which £24.1 billion were mortgage loans, £7.4 billion was SME lending and the remainder of the portfolio comprised unsecured personal lending (including credit cards and overdrafts).

The CYBG Group has a standalone operating platform, with limited ongoing support required provided by National Australia Bank Limited under transitional service arrangements until the CYBG Group's planned separation is fully implemented (expected by the end of 2018). The CYBG Group's operating platform supports its full-service customer proposition and enables the CYBG Group to provide services to customers through multiple distribution channels. As at 31 March 2018, these distribution channels included 169 retail customer banking centres (70 Clydesdale Bank branded, 97 Yorkshire Bank branded, two "B" branded) and 40 business and private customer banking centres (including 32 centres integrated with retail customer banking centres), strong and well-established relationships with leading third-party mortgage intermediaries, access to certain banking services through the Post Office's c.11,500 branches, proprietary telephony and voice services, and an ATM network. The CYBG Group's distribution platform continues to develop to allow Clydesdale Bank, Yorkshire Bank and "B" customers to complete their retail and SME banking needs across multiple distribution channels with an emphasis on digital and non-branch channel usage which reflects changing customer interaction preferences and behaviour. This distribution capability is underpinned by a rapidly evolving digital platform ("iB") which powers CYBG's retail franchises: the digital-only brand "B" and omni-channel distribution of the Clydesdale Bank and Yorkshire Bank brands. During 2018, CYBG's SME franchise will be transferred onto the iB platform, ending a migration of all customer activity onto a platform that offers enhanced capability including the aggregation of customer accounts and seamless aggregation of third party products and

services.

For the year ended 30 September 2017, the CYBG Group's net interest income was £844 million as compared to £806 million for the year ended 30 September 2016. For the six month period ended 31 March 2018, the CYBG Group's net interest income was £426 million, as compared to £411 million for the six month period ended 31 March 2017.

CYBG had approximately 6,500 FTEs as at 30 September 2017. CYBG is building a purpose-led, high performing, team-based culture. A clear set of organisational behaviours shape the culture of the business. Performance approaches drive alignment with the CYBG Group strategy, teamwork and individual focus on improvement. The CYBG Group has significantly increased its focus on wellbeing, inclusion and diversity. These are hardwired into values and behaviours, and built into people practices. The culture transformation is focused on creating a set of leaders, colleagues and ways of working that will allow the business to evolve and change in line with the market and the CYBG Group strategy.

As part of its wholesale funding activity, CYBG has accessed and will continue, from time to time, to look to access the securitisation markets through its Lanark or Lannraig Mortgage Backed Securities programmes and its Regulated Covered Bond programme.

10. **Current trading of CYBG**

Since CYBG's Interim Financial Report was announced on 15 May 2018, the CYBG Group's financial performance has been in line with management's expectations.

11. **Information relating to Virgin Money Group**

15. **Ratings and Outlook**

CYBG's long-term credit ratings and outlook as at 15 June 2018 were BBB- Stable and BBB+ Stable (S&P and Fitch respectively). Its subsidiary, Clydesdale Bank PLC's, long-term credit ratings and outlook were Baa1 Positive, BBB+ Stable and BBB+ Stable, (Moody's, S&P and Fitch respectively).

16. **Virgin Money Share Plans**

The Offer will extend to any Virgin Money Shares unconditionally allotted, issued or transferred prior to the Scheme Record Time to satisfy the vesting or exercise of options and awards granted under the Virgin Money Share Plans.

Appropriate proposals will be made in due course to participants in the Virgin Money Share Plans. Details of these proposals will be set out in the Scheme Document and in separate letters to be sent to the participants in the Virgin Money Share Plans.

17. **Scheme process and publication of the Scheme Document and the Prospectus**

It is intended that the Offer will be implemented by way of a Court sanctioned scheme of arrangement between Virgin Money and Virgin Money Shareholders, made under Part 26 of the 2006 Act (although CYBG reserves the right to implement the Offer by way of a Takeover Offer, subject to the Panel's consent and to the terms of the Co-operation Agreement). The procedure involves, among other things, an application by Virgin Money to the Court to sanction the Scheme, in consideration for which the Virgin Money Scheme Shareholders will receive the New CYBG Shares. The purpose of the Scheme is to provide for CYBG to become the owner of the entire issued and to be issued ordinary share capital of Virgin Money.

To become Effective, the Scheme requires, among other things, the approval of a majority in number representing not less than 75 per cent. in value of the relevant Virgin Money Shareholders present and voting in person or by proxy at the Court Meeting, which is convened by order of the Court, and the passing of the Resolutions necessary to implement the Offer at the Virgin Money General Meeting. The Scheme must also be sanctioned by the Court.

The Conditions in paragraphs 1 and 2 of Appendix 1 to this Announcement provide that the Scheme will lapse if:

- the Court Meeting and the Virgin Money General Meeting are not held by the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date as may be agreed between CYBG and Virgin Money);
- the Court sanction hearing to approve the Scheme is not held by the 22nd day after the expected date of the Court sanction to be set out in the Scheme Document in due course (or such later date as may be agreed between CYBG and Virgin Money);
- the Scheme has not become Effective by 11.59 p.m. on the Long Stop Date (or such later date as may be agreed between CYBG and Virgin Money and the Panel and the Court may allow).

In addition to these approvals, the Scheme is subject to (among other things) approval of the CYBG Shareholders and the receipt of certain regulatory clearances. The Scheme is also subject to the other Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions to be set out in the Scheme Document.

If any Condition in paragraphs 2(a) and (b) and 3 to 16 of Appendix 1 to this Announcement is not capable of being satisfied by the date specified therein, CYBG shall make an announcement through a Regulatory Information Service as soon as practicable and, in any event, by not later than 7.00 a.m. on the Business Day following the date so

specified, stating whether CYBG has invoked that Condition, (where applicable) waived that Condition or, with the agreement of Virgin Money, specified a new date by which that Condition must be satisfied.

Upon the Scheme becoming Effective: (i) it will be binding on all Virgin Money Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the Virgin Money General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Virgin Money Shares will cease to be valid and entitlements to Virgin Money Shares held within the CREST system will be cancelled. The New CYBG Shares will be issued by CYBG to Virgin Money Scheme Shareholders no later than 14 days after the Effective Date.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the Virgin Money General Meeting. The Scheme Document will also contain the expected timetable for the Offer, and will specify the necessary actions to be taken by the Virgin Money Shareholders. Subject to the Scheme Document being posted to Virgin Money Shareholders and, for information only, to persons with information rights and to holders of options granted under the Virgin Money Share plans, as soon as practicable following the date of this Announcement (subject to the availability of the Court to approve the Scheme Document for posting), the Panel has consented to a posting date later than 28 days following this Announcement.

CYBG will be required to make the Prospectus available to the public in accordance with the Prospectus Rules. The Prospectus will contain information on the Combined Group and the New CYBG Shares. It is intended that the Prospectus will be published at the same time as the Scheme Document is posted to Virgin Money Shareholders.

Once the necessary approvals from Virgin Money Shareholders and CYBG Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived and the Scheme has been approved by the Court, the Scheme will become Effective upon delivery of the Court Order to the Registrar of Companies. Subject to the satisfaction of the Conditions, the Scheme is expected to become Effective during calendar Q4 of 2018.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Courts of England and Wales. The Scheme will also be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange and the FCA.

Fractions of New CYBG Shares will not be allotted or issued to Virgin Money Shareholders and entitlements will be rounded down to the nearest whole number of New CYBG Shares and all fractions of New CYBG Shares will be aggregated and sold in the market as soon as practicable after the Offer becomes Effective. The net proceeds of such sale (after deduction of all expenses and commissions incurred in connection with the sale) will be distributed in due proportions to Virgin Money Shareholders who would otherwise have been entitled to such fractions, save that if the entitlement of any Virgin Money Shareholder in respect of the proceeds of sale of fractional entitlements amounts to less than £5, such proceeds will be retained for the benefit of the Combined Group.

In relation to the Condition in paragraph 7(b) of Appendix 1, if any approval is given by the appropriate regulator (as defined under section 178(2A) of FSMA) subject to any condition(s), subject to the requirements of the Panel, CYBG will have regard to the reasonable views of Virgin Holdings when considering whether or not to accept such condition(s) (subject to any restrictions which may be imposed by the relevant regulator).

18. **Interests in Virgin Money**

As at close of business on 14 June 2018 (being the last practicable date prior to the date of this Announcement), neither CYBG, nor any of the CYBG Directors, nor any member of the CYBG Group, nor, so far as the CYBG Directors are aware, any person acting in concert with CYBG for the purposes of the Offer, had:

- (a) any interest in, or right to subscribe for, any relevant securities of Virgin Money;
- (b) any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, any relevant securities of Virgin Money; or
- (c) borrowed or lent, or entered into any financial collateral arrangements or dealing arrangements in respect of, any relevant securities of Virgin Money.

19. **CYBG General Meeting and CYBG recommendation**

Due to its size, the Offer will be conditional on the approval of the CYBG Shareholders for the purposes of the Listing Rules at the CYBG General Meeting. The CYBG General Meeting will be convened for the purpose of approving the Offer and the allotment and issuance of the New CYBG Shares.

It is expected that the Circular, containing details of the Offer and notice of the CYBG General Meeting, will be posted

to CYBG Shareholders at or around the same time as the Scheme Document is posted to Virgin Money Shareholders, with the CYBG General Meeting held at or around the same time as the Virgin Money Meetings.

The CYBG Board considers the Offer to be in the best interests of CYBG and the CYBG Shareholders as a whole and intend unanimously to recommend that CYBG Shareholders vote in favour of the resolutions to approve the Offer to be proposed at the CYBG General Meeting, as those CYBG Directors who hold CYBG Shares have irrevocably undertaken to do in respect of their own beneficial holdings totalling 476,988 CYBG Shares (representing approximately 0.054 per cent. of the issued ordinary share capital of CYBG as at 15 June 2018, being the last Business Day before the date of this Announcement).

The CYBG Board has received financial advice from Morgan Stanley and Deutsche Bank in relation to the Offer. In providing their advice to the CYBG Board, Morgan Stanley and Deutsche Bank have taken into account the commercial assessments of the CYBG Board.

Details of undertakings given by the CYBG Directors are set out in Appendix 3.

20. Delisting and cancellation of trading

It is intended that the London Stock Exchange and the FCA will be requested respectively to cancel trading in Virgin Money Shares on the Main Market and the listing of the Virgin Money Shares from the Official List on the Effective Date.

If the Offer is effected by way of a Takeover Offer, it is anticipated that the cancellation of Virgin Money's listing on the Official List and admission to trading on the London Stock Exchange's market for listed securities will take effect no earlier than 20 Business Days following the date on which the Takeover Offer becomes or is declared unconditional in all respects provided CYBG has obtained 75 per cent. or more of the voting rights of Virgin Money.

Delisting would significantly reduce the liquidity and marketability of any Virgin Money Shares not assented to the Offer at that time. If the Offer is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, CYBG intends to exercise its rights to acquire compulsorily the remaining Virgin Money Shares in respect of which the Takeover Offer has not been accepted.

21. Listing and dealings

Application will be made to the FCA and the London Stock Exchange for the New CYBG Shares to be admitted to the Official List and to trading on the London Stock Exchange's market for listed securities respectively. It is expected that Admission will become effective and that dealings for normal settlement in the New CYBG Shares will commence on the London Stock Exchange at 8.00 a.m. on the first Business Day following the Effective Date.

Steps will be taken to allow for quotation of CHESSE Depository Interests representing the New CYBG Shares on the ASX following completion of the Offer.

22. Overseas Shareholders

The availability of the Offer and the New CYBG Shares and the distribution of this Announcement to Virgin Money Shareholders who are not resident in the United Kingdom or the United States may be affected by the laws of the relevant jurisdiction in which they are located. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Virgin Money Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This Announcement does not constitute an offer for sale for any securities or an offer or an invitation to purchase any securities. Virgin Money Shareholders are advised to read carefully the Scheme Document and related forms of proxy once these have been dispatched.

23. Documents

Copies of the following documents will be available promptly on CYBG's and Virgin Money's websites, subject to certain restrictions relating to persons residing in Restricted Jurisdictions, at www.cybg.com/cybg-update/ and <https://uk.virginmoney.com/virgin/investor-relations/offer-from-cybg/> respectively and in any event by no later than noon on 19 June 2018:

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Offer, and other information published by CYBG and Virgin Money contain statements which are, or may be deemed to be, "forward-looking statements". All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on

historical facts, but rather on assumptions, expectations, valuations, targets, estimates, forecasts and projections of CYBG and Virgin Money about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Offer on the CYBG Group, the Virgin Money Group and the Combined Group, the expected timing and scope of the Offer and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "budget", "targets", "aims", "scheduled", "estimates", "forecast", "intends", "anticipates", "seeks", "prospects", "potential", "possible", "assume" or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Although CYBG and Virgin Money believe that the expectations reflected in such forward-looking statements are reasonable, CYBG and Virgin Money can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of CYBG and/or Virgin Money) because they relate to events and depend on circumstances that may or may not occur in the future.

There are a number of factors that could affect the future operations of the CYBG Group, the Virgin Money Group and/or the Combined Group and that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction (or, where permitted, waiver) of the Conditions, as well as additional factors, such as: domestic and global business and economic conditions; asset prices; market related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, the repercussions of the UK's referendum vote to leave the European Union (EU), the UK's exit from the EU (including any changes to the UK currency), Eurozone instability, any referendum on Scottish independence), disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations, the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Combined Group to realise successfully any anticipated synergy benefits when the Offer is implemented (including changes to the board and/or employee composition of the Combined Group), the inability of the CYBG Group to integrate successfully the Virgin Money Group's operations and programmes when the Offer is implemented, the Combined Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Offer when the Offer is implemented. In particular, the capital position of the Combined Group is subject to confirmation of the regulatory treatment of the existing capital instruments issued by CYBG and Virgin Money post completion of the Offer, which is dependent on the final legal structure of the Combined Group. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

Each forward-looking statement speaks only as of the date of this Announcement. Neither CYBG Group nor Virgin Money Group, nor any of their respective associates or directors, officers or advisers, provides any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Forward looking statements involve inherent risks and uncertainties. All forward-looking statements contained in this Announcement are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Readers are cautioned not to place undue reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations (including under the Takeover Code, the Listing Rules and the Disclosure Guidance and Transparency Rules), neither the CYBG Group nor the Virgin Money Group is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

Nothing in this Announcement is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings per CYBG Share or Virgin Money Share for the current or future financial years, will necessarily match or exceed the historical published earnings per CYBG Share or Virgin Money Share.

Quantified financial benefits

Statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Neither the quantified financial benefit statements nor any other statement in this Announcement should be construed as a profit forecast or interpreted to mean that the Combined Group's earnings in the first full year following implementation of the Offer, or in any subsequent period, would necessarily match or be greater than or be less than those of CYBG or Virgin Money for the relevant preceding financial period or any other period.

Additional information for US investors

US holders of Virgin Money Shares should note that the Offer relates to the securities of a UK company with a listing on the London Stock Exchange and is proposed to be implemented pursuant to a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Offer will be subject to UK procedural and disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England listed on the London Stock Exchange, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this Announcement and other documentation related to the Offer has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If CYBG exercises its right, in the circumstances provided for in this Announcement, to implement the Offer by way of a Takeover Offer, such Takeover Offer will only be made in the United States if an exemption from the registration requirements of the US Securities Act is available.

The New CYBG Shares to be issued pursuant to the Offer have not been registered under the US Securities Act or under any laws or with any securities regulatory authority of any state, district or other jurisdiction, of the United States, and may only be offered or sold in the United States in reliance on an exemption from registration requirements of the US Securities Act including in the case of the proposed scheme of arrangement, Section 3(a)(10) thereunder.

Neither the SEC nor any US state securities commission has approved or disapproved of the New CYBG Shares to be issued in connection with the Offer or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

It may be difficult for US holders of Virgin Money Shares to enforce their rights and claims arising out of the US federal securities laws, since CYBG and Virgin Money are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US holders of Virgin Money Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm on the 10th business day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

1. Subject to the requirements of the Panel in accordance with the Takeover Code, CYBG reserves the right to waive, in whole or in part, all or any of the above Conditions, except Conditions 1, 2, 3, 4(a) and (b) and 5.
2. Conditions 2(a) and (b) and 3 to 16 (inclusive) must each be fulfilled by, or (if capable of waiver) be waived by, CYBG by no later than 11.59 p.m. on the date immediately preceding the date of the Court Hearing. The Offer will lapse if the Scheme does not become Effective and all other Conditions are fulfilled or (if capable of waiver) waived by 11.59 p.m. on the Long Stop Date (or such later date as CYBG and Virgin Money may agree and (if required) the Panel and the Court allow).
3. Under Rule 13.5(a) of the Takeover Code, CYBG may not invoke a Condition to the Offer so as to cause the Offer not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to CYBG in the context of the Offer. Conditions 1 (*Long Stop Date*), 2 (*Scheme Approval*), 3 (*CYBG Shareholder authorities*), 4(a) and (b) (*Brand Licence*), 5 (*Admission to listing on the London Stock Exchange of consideration shares*) and 6 (*CMA Clearance*) and, if applicable, any acceptance condition if the Offer is implemented by means of a Takeover Offer, are not subject to this provision of the Takeover Code.
4. CYBG shall be under no obligation to waive (if capable of waiver) or treat as fulfilled any of the Conditions by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that any other Conditions may at any earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.

Part 3: Implementation by way of Takeover Offer

CYBG reserves the right, with the consent of the Panel and subject to the terms of the Co-operation Agreement, to elect to implement the Offer by way of a Takeover Offer as an alternative to the Scheme. In such event, the Offer will be implemented on the same terms (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 90 per cent. (or such lesser percentage as CYBG may, with the agreement of Virgin Money, and subject to the rules of the Takeover Code and with the consent of the Panel, decide) of the shares to which the Offer relates) as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Virgin Money Shares are otherwise acquired, it is the intention of CYBG to apply the provisions of the 2006 Act to acquire compulsorily any outstanding Virgin Money Shares to which such Takeover Offer relates.

Part 4: Certain further terms of the Offer

1. If CYBG is required by the Panel to make an offer for Virgin Money Shares under the provisions of Rule 9 of the Takeover Code, CYBG may make such alterations to any of the above Conditions as are necessary to comply with the provisions of that Rule.
2. Fractions of New CYBG Shares will not be allotted or issued to Virgin Money Shareholders and entitlements will be rounded down to the nearest whole number of New CYBG Shares and all fractions of New CYBG Shares will be aggregated and sold in the market as soon as practicable after the Offer becomes Effective. The net proceeds of such sale (after deduction of all expenses and commissions incurred in connection with the sale) will be distributed in due proportions to Virgin Money Shareholders who would otherwise have been entitled to such fractions, save that if the entitlement of any Virgin Money Shareholder in respect of the proceeds of sale of fractional entitlements amounts to less than £5, such proceeds will be retained for the benefit of the Combined Group.

3. The Virgin Money Shares will be acquired pursuant to the Offer fully paid and free from all liens, charges, equities, encumbrances, rights of pre-emption and any other interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including without limitation voting rights and the right to receive and retain in full all dividends and other distributions (if any) announced, declared, made or paid on or after the date of this Announcement. Save for an interim dividend of up to 2.3 pence (net) per Virgin Money Share in respect of the period ending 30 June 2018, if any dividend or other distribution is announced, declared, made or paid in respect of the Virgin Money Shares on or after the date of this Announcement, CYBG reserves the right to reduce the terms of the Offer by the aggregate amount of any such dividend or other distribution. To the extent that a dividend or other distribution is announced, declared, made or paid and is or will be (i) transferred pursuant to the Offer on a basis which entitles CYBG alone to receive it and to retain it, or (ii) cancelled, the price payable under the Offer in respect of the Virgin Money Shares will not be subject to change in accordance with this condition.
4. The Offer will lapse if there is a Phase 2 CMA Reference before the Virgin Money Meetings. In such event, Virgin Money will not be bound by the terms of the Scheme.
5. The Offer will lapse if the European Commission either initiates proceedings under Article 6(1)(c) of Council Regulation (EC) 139/2004 or makes a referral to a competent authority of the United Kingdom under Article 9(3)(b) of that Regulation and there is a subsequent Phase 2 CMA Reference, in either case before the Virgin Money Meetings. In such event, Virgin Money will not be bound by the terms of the Scheme.
6. The Offer will be governed by English law and be subject to the jurisdiction of the English courts and to the Conditions set out in this Announcement and in the Scheme Document.
7. The New CYBG Shares to be issued pursuant to the Offer have not been, and will not be, listed on any stock exchange other than the London Stock Exchange, and the New CYBG Shares have not been, nor will they be, registered under the US Securities Act or under any laws of any state, district or other jurisdiction, of the United States, nor have clearances been, nor will they be, obtained from the securities commission or similar authority of any province or territory of Canada and no prospectus has been, or will be, filed, or registration made, under any securities law of any province or territory of Canada, nor has a prospectus in relation to the New CYBG Shares been, nor will one be, lodged with, or registered by, the Australian Securities and Investments Commission, nor have any steps been taken, nor will any steps be taken, to enable the New CYBG Shares to be offered in compliance with applicable securities laws of Japan and no regulatory clearances in respect of the New CYBG Shares have been, or will be, applied for in any other jurisdiction. Accordingly, unless an exemption under relevant securities laws is available, the New CYBG Shares are not being, and may not be, offered, sold, resold, delivered or distributed, directly or indirectly, in, into or from the United States or any other Restricted Jurisdiction or to, or for the account or benefit of, any US Person or resident of any other Restricted Jurisdiction. It is currently expected that the New CYBG Shares will be issued in connection with a scheme of arrangement and therefore will be exempt from the registration requirements of the US Securities Act pursuant to section 3(a)(10) thereunder. Neither the US Securities and Exchange Commission nor any US state securities commission has approved or disapproved of the New CYBG Shares, or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence.

APPENDIX 2

SOURCES AND BASES OF INFORMATION

Unless otherwise stated in this Announcement:

1. Under the terms of the Offer, CYBG will acquire the entire issued and to be issued ordinary share capital of Virgin Money on the basis of an exchange ratio of 1.2125 New CYBG Shares for each Virgin Money Share, which implies that Virgin Money Shareholders will own approximately 38 per cent. of the Combined Group. This is based on the issuance of 546,915,829 New CYBG Shares for Virgin Money's 451,064,601 ordinary shares on a fully diluted basis (comprising 445,442,008 Virgin Money Shares currently in issue, at 15 June 2018, being the latest Business Day before the date of this Announcement, and a maximum of 5,622,593 Virgin Money Shares which may be issued on or after the date of this Announcement on the exercise of options or vesting of awards under the Virgin Money Share Plans (based on outstanding options and awards of 7,601,912 as at 15 June 2018 less 1,979,319 shares held by Virgin Money's Employee Benefit Trust, Wealth Nominees Limited as at 15 June 2018)), giving a pro forma share count for the Combined Group of 1,432,106,805.
2. Based on an exchange ratio of 1.2125 New CYBG Shares in exchange for each Virgin Money Share and the Closing Price of 306 pence per CYBG Share on 15 June 2018 (being the last Business Day before the date of this Announcement), the Offer values each Virgin Money Share at 371 pence and Virgin Money's ordinary shares on a fully diluted basis at approximately £1.7 billion.

3. Based on 885,190,976 CYBG Shares in issue as of 15 June 2018 and the Closing Price of 306 pence per CYBG share on 15 June 2018 (being the last Business Day before the date of this Announcement), the market capitalisation of CYBG is approximately £2.7 billion.
4. On the date of this Announcement CYBG holds no ordinary shares in treasury.
5. The premium calculations to the price per Virgin Money Share have been calculated by reference to:
 - (a) the Closing Price of a Virgin Money Share of 312 pence on 4 May 2018 (being the last Business Day prior to the commencement of the Offer Period); and
 - (b) the three calendar month volume weighted average price of a Virgin Money Share of 276 pence from 5 February 2018 to 4 May 2018.
6. The volume weighted average prices of a Virgin Money Share are derived from data provided by Bloomberg and refer to trading on the London Stock Exchange only.
7. Unless otherwise stated, the balance sheet financial information relating to CYBG is extracted from the audited consolidated financial statements of CYBG for the period ending 31 March 2018, prepared in accordance with IFRS. APPENDIX 4 QUANTIFIED FINANCIAL BENEFITS STATEMENT

PART A - QUANTIFIED FINANCIAL BENEFITS STATEMENT

Paragraph 4 of this Announcement contains statements of estimated cost savings and synergies expected to arise from the Offer (together, the "**Quantified Financial Benefits Statement**").

A copy of the Quantified Financial Benefits Statement is set out below:

The CYBG Directors, having reviewed and analysed the potential synergies of the Combined Group, as well as taking into account the factors they can influence, believe that the Combined Group can deliver shareholder value through expected realisation of approximately £120 million of annual pre-tax cost synergies. Incremental to these quantified cost synergies, the Combined Group will benefit from avoiding planned future Virgin Money digital bank running costs, given the existing CYBG capabilities.

It is currently envisaged that the approximately £120 million of annual pre-tax cost synergies will be realised principally from:

- i) **Organisational design:** Reduction of FTEs across the Combined Group, removing duplication of senior management roles, delivering approximately £35 million of run rate cost savings.*
- ii) **Central cost management:** Approximately £35 million of run rate cost savings generated by rationalisation of the Combined Group's central functions locations; with scale efficiencies in IT, central procurement costs, third party outsourcing and other operating expenses. Central cost management savings are net of incremental trademark licence fees related to the use of the Virgin Money brand.*
- iii) **Operational efficiency:** Reduction of FTEs across the Combined Group through removing duplication of central functions roles, integrating customer service operating models and driving efficiencies through increased digitisation and automation, delivering approximately £35 million of run rate cost savings.*
- iv) **Network efficiencies:** Optimisation of the Combined Group's branch network, delivering approximately £15 million of run rate cost savings.*

The run rate of these annual pre-tax cost synergies will be fully achieved by the end of the financial year ending 30 September 2021, with approximately 28 per cent. achieved as at 30 September 2019 and approximately 67 per cent. as at 30 September 2020. It is therefore expected that the first year of full run rate cost synergies will be the financial year ending 30 September 2022. The cost synergies recognised during the financial year ending 30 September 2019 are expected to be approximately £20 million and approximately £50 million recognised during the financial year ending 30 September 2020.

The identified recurring cost synergies will accrue as a direct result of the Combination and would not be achieved on a standalone basis.

It is expected that the realisation of these cost synergies would result in one-off pre-tax costs to achieve of approximately £240 million. These are expected to be phased broadly evenly across a three year period: employee

restructuring costs and IT migration strategy phased over all three years following completion of the Offer, contract break fees to be recognised in the third year following completion of the Offer, and the optimisation of branches and office locations to be achieved in years two and three following completion of the Offer. Aside from these one-off exceptional costs and the incremental trademark licence fees incorporated into the assessed cost synergies, no material dis-synergies are expected in connection with the Combination.

These statements relating to identified synergies and estimated savings relate to future actions or circumstances which by their nature involve risks, uncertainties and contingencies. As a consequence, the identified synergies and estimated savings referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Further information on the bases of belief supporting the Quantified Financial Benefits Statement, including the principal assumptions and sources of information, is set out below.

Bases of Belief and Principal Assumptions

Following initial discussions regarding the Combination, a CYBG synergy development team was established to assess the potential synergies arising from the Combination.

The team, which comprises senior CYBG strategy and financial personnel has worked to identify, challenge and quantify potential synergies as well as the potential costs to achieve such synergies. The team has worked with the relevant functional heads and other personnel at both CYBG and Virgin Money to test synergies assumptions and identify synergy initiatives.

In preparing the Quantified Financial Benefits Statement, both CYBG and Virgin Money have shared certain operating and financial information to facilitate the analysis in support of evaluating the potential synergies available from the creation of the Combined Group. However, as is typical of these exercises, confidentiality and regulatory considerations have limited the extent of the sharing of data and information. Where the sharing of data has been limited, the synergy development team has made estimates and assumptions to aid its development of individual synergy initiatives. The assessment and quantification of the potential synergies have, in turn, been informed by the CYBG management's industry experience and knowledge of the existing businesses.

The cost base used for the quantified financial benefits exercise is the combination of the CYBG cost base contained in its 30 September 2017 full year results and the Virgin Money cost base contained in its 31 December 2017 full year results.

In addition to these potential quantified synergies, the CYBG Directors believe that further value can be created through realisation of revenue and funding synergies, as well as the avoided planned future digital bank running costs. These incremental potential synergies have not been quantified for the purposes of reporting under the Takeover Code.

The integration of the businesses will require combining the Virgin Money businesses and group functions with CYBG's business and group functions. It is anticipated that the customer facing brand for the Combined Group will transition to Virgin Money over time.

The CYBG Directors have, in addition, made the following assumptions, all of which are outside their influence:

(A) There will be no material impact on the underlying operations of either CYBG or Virgin Money or their ability to continue to conduct their businesses.

(B) There will be no material change to macroeconomic, political, regulatory or legal conditions in the markets or regions in which CYBG and Virgin Money operate that will materially impact on the implementation or costs to achieve the proposed cost savings.

(C) There will be no change in tax legislation or tax rates or other legislation in the UK that could materially impact the ability to achieve any benefits.

In addition, the CYBG Directors have assumed that the cost synergies are substantively within their control, albeit that certain elements are dependent in part on negotiations with third parties.

Reports

As required by Rule 28.1(a) of the Takeover Code, Deloitte, as reporting accountants to CYBG, and Morgan Stanley and Deutsche Bank, as financial advisers to CYBG, have provided the opinions required under that Rule. Copies of these reports are included at Parts B and C of this Appendix 4. Each of Deloitte, Morgan Stanley and Deutsche Bank has given and not withdrawn its consent to the publication of its report in this Announcement in the form and context in which it is included.

Notes

These statements are not intended as a profit forecast and should not be interpreted as such. These statements of estimated synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the estimated synergies referred to may not be achieved, or may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Neither the Quantified Financial Benefits Statement nor any other statement in this Announcement should be construed as a profit forecast or interpreted to mean that CYBG's earnings in the first full year following the Effective Date, or in any subsequent period, will necessarily match or be greater than or be less than those of CYBG or Virgin Money for the relevant preceding financial period or any other period.

Due to the scale of the Combined Group, there may be additional changes to the Combined Group's operations. As a result, and given the fact that the changes relate to the future, the resulting synergies may be materially greater or less than those estimated.

Dear Sirs

OFFER FOR VIRGIN MONEY HOLDINGS (UK) PLC (the "Target") BY CYBG PLC (the "Offeror")

We report on the statement made by the directors of CYBG PLC (the "Directors") of synergy benefits set out in Part A of Appendix 4 to the Rule 2.7 Announcement (the "Announcement") issued by the Offeror (the "Quantified Financial Benefits Statement" or the "Statement"). The Statement has been made in the context of the disclosures within Part A of Appendix 4 setting out, inter alia, the basis of the Directors' belief (identifying the principal assumptions and sources of information) supporting the Statement and their analysis, explanation and quantification of the constituent elements.

Responsibilities

It is the responsibility of the Directors to prepare the Statement in accordance with Rule 28 of the City Code on Takeovers and Mergers (the "Takeover Code").

It is our responsibility to form our opinion, as required by Rule 28.1(a) of the Takeover Code, as to whether the Statement has been properly compiled on the basis stated and to report that opinion to you.

This report is given solely for the purposes of complying with Rule 28.1(a)(i) of the Takeover Code and for no other purpose. Therefore, to the fullest extent permitted by law we do not assume any other responsibility to any person for any loss suffered by any such person as a result of, arising out of, or in connection with this report or our statement, required by and given solely for the purposes of complying with Rule 23.2 of the Takeover Code, consenting to its inclusion in the Announcement.

Basis of opinion

We conducted our work in accordance with the Standards for Investment Reporting issued by the Auditing Practices Board in the United Kingdom.

Our work included considering whether the Statement has been accurately computed based upon the disclosed bases of belief (including the principal assumptions). Whilst the bases of belief (and the principal assumptions) upon which the Statement is based are solely the responsibility of the Directors, we considered whether anything came to our attention to indicate that any of the bases of belief (or principal assumptions) adopted by the Directors which, in our opinion, are necessary for a proper understanding of the Statement have not been disclosed or if any basis of belief (or principal assumption) made by the Directors appears to us to be unrealistic. Our work did not involve any independent examination of any of the financial or other information underlying the Statement.

We planned and performed our work so as to obtain the information and explanations we considered necessary in order to provide us with reasonable assurance that the Quantified Financial Benefits Statement has been properly compiled on the basis stated.

Since the Statement (and the principal assumptions on which it is based) relates to the future, the actual synergy benefits achieved are likely to be different from those anticipated in the Statement and the differences may be material. Accordingly, we can express no opinion as to the achievability of the synergy benefits identified by the Directors in the Statement.

Our work has not been carried out in accordance with auditing or other standards and practices generally accepted in jurisdictions outside the United Kingdom, including the United States of America, and accordingly should not be relied upon as if it had been carried out in accordance with those standards and practices. We have not consented to the inclusion of this report and our opinion in any registration statement filed with the SEC under the US Securities Act of 1933 (either directly or by incorporation by reference) or in any offering document enabling an offering of securities in the United States (whether under Rule 144A or otherwise). We therefore accept no responsibility to, and deny any liability to, any person using this report and opinion in connection with any offering of securities inside the United States of America or who makes a claim on the basis they had acted in reliance on the protections afforded by United States of America law and regulation.

Opinion

In our opinion, based on the foregoing, the Quantified Financial Benefits Statement has been properly compiled on the basis stated.

Yours faithfully
