Closing date:

24 August 2020

Nearest alternative Store:

132-134 Northumberland Street,
Newcastle Upon Tyne, NE1 7DG

Nearest alternative Store opening hours:

Monday - Friday 9am-5pm
(Tuesday 9.30am-5pm), Saturday 9am-4pm

Over the next few months, we'll carry on working with you and the community on how to access Virgin Money once we close the Store. We want to make sure the right support is in place for your banking needs and there are enough banking services in your local area.

In the lead-up to the branch closing, we'll share the results of this work with you and the wider community.

MONEY

Understanding the impact of closing this Store

Background

As we look to grow our business as Virgin Money, and bring together our heritage brands of B, Clydesdale Bank, Yorkshire Bank and Virgin Money, we must do so efficiently. We are investing hundreds of millions of pounds into improving our business to meet customer demands, streamlining our processes and investing in our digital and product propositions.

There is an ongoing increase in digital uptake with more and more customers only using the stores when they want to speak to us about significant life events e.g. arranging an overdraft or a mortgage.

However, our stores continue to remain a vital part of what we do and we will be re-investing in our store network.

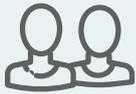

In this fast-changing environment, it is important that we are able to balance the mix of digital services available to our customers with continuing to make the right investments in our network, ensuring that we meet the needs of our customers in terms of service, convenience and advice.

We have therefore had to take the difficult decision to close a number of stores including Low Fell. This decision has been reached after considerable thought and analysis which includes input from local management.

Considerations

In trying to decide whether to close a Store, we look at a lot of different things.

As well as how much a Store is used, we look at how local customers – including potentially vulnerable groups and business customers – will be able to carry on using banking services after the Store closes.

Number of customers using the Store

Number of other Stores we have in the area

Distance to nearest Store

Change in number of transactions in Store

Change in customer use of Store

Current lease on Store

ATM availability

Access to other banks in the area

Banking services at the local Post Office

Public transport to other Stores

Other ways to bank (e.g. phone, internet, mobile)

- > The local Post Office is nearby at 8B Beaconsfield Road which gives current account customers another way to do their day-to-day banking – including withdrawing cash, paying in cash and checking your balance.
- > There are other free ATMs in the area.
- > Our internet, phone and postal banking services mean you can complete basic day-to-day banking transactions. This includes checking your balance, viewing transactions, cancelling/amending regular payments or even paying in cheques (postal only).

- > Customers are also able to use our mobile apps to make external payments through a number of different options and we are continuing to invest in our digital banking services.
- > If you want to use a Store for general information or to discuss a product, our Newcastle Store is 3 miles away.
- > A number of other bank branches are still in the town.
- > You can get information about any of our products and services by calling our Contact Centre on **0345 600 7301** (Monday - Friday 8am-8pm, Saturday 8am-4pm, Sunday 10am-3pm).

What influenced our decision?

The main reason for closing our Low Fell Store is that fewer customers are using the Store to carry out transactions:

28%

Decrease in counter transactions
(Dec 2014 - Dec 2019)

The proportion of savings and current account customers using the Store to carry out transactions is low:

- > **Only 27%** of our savings customers at Low Fell are using the Store regularly (i.e. more than once in 12 months) for a passbook-based transaction.
- > **Only 21%** of all customers at Low Fell hold a current account with Virgin Money and around half (53%) have used the Store regularly (i.e. more than once in 12 months) for a transaction on their account.

Local information

The store is located in the centre with two banks located within 1.5 miles.

The nearest store is Newcastle Northumberland Street located 3 miles away.

Glossary

Term	Definition
Banking services	Services like withdrawing cash, paying in cash and paying in cheques.
Access to Banking Standard	The Standard aims to help minimise the impact of bank branch closures on customers and local communities.
Digital services	Banking services delivered over the internet or through mobile devices. These use lots of automated processes and web-based services to deliver banking products and handle transactions.
ATM	Automated Teller Machine. Usually in a wall outside a bank or shop. You can use it to take money out of your bank account using a card.
Transaction	Customer carrying out activity on their account, or taking out an additional product or service.
Fewer counter transactions	Fewer visits to a Store to carry out transactions over the counter, with alternatives being used.
Reduction in Store footfall	Fewer customers visiting the Store to carry out transactions.
Vulnerable groups	Someone who, due to their personal circumstances, is especially susceptible to detriment, particularly when a firm is not acting with appropriate levels of care.
Changing customer use of the Store	Change in the way customers choose to do their day-to-day banking.
